*The 1941 Walpole Town Report was awarded third prize in the State-wide Town Report Contest conducted by the Massachusetts Selectmen's Association. Honorable mention was also awarded this report for the most attractive cover of any report in the Commonwealth, for the best Selectmen's Report and for visual devices.*

### BOARD OF SELECTMEN AND SEWER COMMISSIONERS

**Organization**—The Selectmen and Sewer Commissioners organized on January 19, 1942 as follows: Willis D. McLean, Chairman, Albert W. Smith, Clerk, David W. Kelley, John J. White and Clinton F. Shufelt. During the year 53 regular and 11 special meetings were held. Mr. Kelley resigned June 30, 1942 due to moving to Milton. He had served as a Selectman since 1935. At a Special election held on August 31 Mr. George Sherrerd, Jr. was elected to fill the vacancy caused by Mr. Kelley's resignation.

**Finances**—The total bonded debt at the close of the year is \$144,000.00. Cash on hand December 31, 1942 is \$200,598.03 an increase of \$5,992.04 over last year. The Excess and Deficiency Account as of the same date is \$164,143.72 having increased during the year \$75,225.75 or 85%. This substantial increase in our "surplus" account is due to having conservatively estimated receipts in fixing the tax rate and by keeping departmental expenses, both in the Selectmen's and School Departments wherever possible well below amounts appropriated. There were two short term borrowings during the year in anticipation of revenue totaling \$175,000.00, as follows:

Date issued	Amount	Date of Maturity	Rate of Interest
May 21, 1942	\$100,000 00	11/30/'42	0.41 % per annum
June 18, 1942	75,000 00	11/18/'42	0.349% per annum

Uncollected taxes amount to \$43,031.78 an even better record than was attained last year when uncollected taxes were at the lowest point for many years. Much credit is due the Collector of Taxes for this commendable record.

**Reserve Fund**—Transfers from this fund as authorized by the Appropriation Committee were as follows:

Regular Reserve Fund Appropriation		\$10,000 00
Law Department .....	1,730 00	
Fire Dept. Firemens Services .....	1,710 00	
Insect Pest Extermination .....	677 68	
Fuel—Public Buildings .....	518 57	
Public Library—Salaries .....	350 00	
Forest Fire Dept.—Firemens' Services .....	300 00	
Police—Motor Services and Maintenance .....	248 00	
Building Repairs .....	200 00	
Police—Salaries .....	123 00	
Election and Registration .....	95 00	
Town Clerk's Department .....	67 70	
Registration of Veteran's Graves in Town Cemeteries .....	40 00	

Election and Registration (Chapter 440, 1938, Street Lists) .....	15.46	
Care of Soldiers' Graves .....	5.00	
		6,080.41
Unexpended balance .....		\$3,919.59
Civilian Defense Reserve Fund Appropriation .....		\$6,000.00
War Risk Insurance on buildings .....	\$1,121.31	
Medical supplies .....	875.00	
Civilian Defense, general expenses .....	500.00	
Blood Plasma bank, Norwood Hospital .....	350.00	
Police Auxiliary expenses .....	300.00	
Honor Roll Board .....	250.00	
Local Rationing Board expenses .....	150.00	
State Guard Reserve .....	45.00	
Public Safety .....	20.85	
		3,612.16
Unexpended balance .....		\$2,387.84
Total Appropriation .....	\$16,000.00	
Total Transfers .....	9,692.57	
Total Unexpended balance credited to Excess and Deficiency Account .....	\$6,307.43	

**Jury List**—The following were drawn as Jurors during the year;  
Parker Chick, Earle C. Davis, Karl Dorrwaechter, Victor Burrell, Edward Wallman, Harvey Hinton, James F. Gilmore, Howard S. Hanna, George Corbett, Michael Kelley, William A. Maxwell.

**Board of Appeals**—The following hearings were held in accordance with the provisions of the Town's Zoning Laws and the General Laws:

April 3— Mrs. Elizabeth A. Tetreault, application to change a single family house into a two family house at 252 Common Street. Approved.  
June 26— Henry F. Goulet, 595 Main Street, application to change a two family house at 595 Main Street into a three family house. Approved.  
September 11— Mrs. Carrie Fuller, 189 Pleasant Street, application to change a single family house into a two family house. Approved.

**Sale of Land**—By authorization of the Annual Town Meeting, the following property owned by the Town, acquired as a result of foreclosure of rights and redemption was sold, thereby returning this property to a taxable basis:

June 18— Arthur F. Koch, land on Chapman Street ..... \$90.00

**Board of Survey**—The following hearings were held by the Board acting as the Board of Survey, on proposed street lay-outs:

Date of Hearing	Location	Disposition
January 23—	Clark Avenue	Approved
January 30—	Stone Street Extension from Washington Street to Massachusetts Ave.	Approved
January 30—	Cascade Terrace, from Common Street southwesterly 975 feet.	Approved

**Public Highways**—As mentioned in the report of the Town Engineer, no new construction was undertaken and although not known until after the last town meeting, none would have been permitted under regulations of the War Production Board, due to war conditions. Moreover, the Commonwealth made no allocation of funds under the provisions of Chapter 90 except for maintenance of so-called Chapter 90 roads. It was, however, possible to increase maintenance work on our highways, both under the regular town appropriation and by allocation of \$1,000 from the Commonwealth, \$1,000 from the County and an appropriation by the Town of \$1,000 for Chapter 90 roads. This increased maintenance program was advisable in order to keep existing highways in as serviceable a condition as possible and to prolong their life.

**War Activities**—The Walpole Committee on Public Safety has continued its activities in completely organizing the town to cope with any emergency that may arise. On March 13th Willis H. Hoyt resigned as Chairman of the Committee and Howard S. Hanna was appointed his successor. Much credit is due Mr. Hoyt for the efficient manner in which the work of the Committee was carried on from its inception and Mr. Hanna is continuing that work with similar efficiency. Rationing of tires and tubes which commenced on January 5th has been expanded to include gasoline, rubber foot wear, bicycles, sugar, coffee, fuel oils, and heating stoves. All rationing is a Federal function but the Selectmen have cooperated in the program by providing office space, supplies and certain services. The Rationing Board is composed of Mr. William F. Sline, Sr., Chairman, William O. Forssell, C. Eugene Hartshorn and has been augmented by the appointment of various panels. Its organizations is as follows:

**Mileage Rationing, Bicycles and Footwear:**

William F. Sline, Sr., Chairman  
 Frederick F. Libby, Administrator  
 C. Eugene Hartshorn  
 William O. Forssell

**Fuel Oil:**

Frank P. Reynolds  
 Denis F. O'Brien  
 Arthur C. Jones

**Price Control:**

Harold S. Lines  
 William E. McNaught

**Foods:**

Mrs. Charles R. Howard  
Mrs. Malcolm White  
Mathew Roberts

Three Clerks have been provided at Federal expense.

An Honor Roll Board was erected in front of the Town Hall and was dedicated with appropriate ceremonies on May 30th. The Board was later moved to a new location on the Common facing Main Street and enlarged. All names of those entering the armed services from Walpole will be entered on this Board as recognition of the part they are contributing to the continuance of our democratic institutions and way of life. A Committee under the Chairmanship of Clinton F. Shufelt has been active in the sale of War Bonds and Stamps. Scrap drives were conducted by the Boy Scouts and the Lions Club and were productive of excellent results. A Soldiers and Sailors Committee was appointed on December 30th to care for recreational needs of service men and women. Every effort has been made to further the war effort and the cooperation of the townspeople has been splendid.

**Transportation**—In view of drastic restrictions on the use of private automobiles, the necessity of providing transportation for war workers and the community in general became a major problem. A War Transportation Committee was appointed on March 20th which has worked with the Selectmen in obtaining the maximum possible service through existing bus lines and providing new services where these were required.

**Traffic Circles**—In conformity with a vote of the Town, the Traffic Circles at Union and Pleasant Streets and at Washington and East Streets were named the "Henry Achorn" and "Joseph Matanis" circles respectively. Dedication exercises for these two circles were held on April 26.

---

During all of the past year the country has been engaged in an all-out, total war against ruthless enemies who would destroy all that has made life worthwhile. Over 450 Walpole men and women, including several from the various town departments have entered active Military Service. They are offering their lives to protect the freedom our enemies would destroy. No sacrifice we can make at home can compare with the sacrifices these men and women are making. We owe to them our united support in cooperating with the rationing programs that insure them the supplies they must have on far flung battle lines,

to participate in the activities of our local committee on public safety, to operate our town government efficiently and economically by eliminating every non-essential activity and by creating reserves for that happy day when the war is won and our soldiers and sailors return. They will then need employment and plans must be made so that such employment will be provided in useful undertakings. It has been our purpose and endeavor to have Walpole contribute its all in the war effort and to the personnel of all departments under our supervision we express our appreciation for their cooperation to this end.

WILLIS D. McLEAN,  
ALBERT W. SMITH,  
JOHN J. WHITE,  
CLINTON F. SHUFELT,

**TOWN COUNSEL**

During the year 1942, I have drafted all legal instruments required of me by the various boards and town officers. Legal opinions in writing have been rendered on various questions. Legal advice has been furnished to various officers of the town on subjects concerning the duties incumbent upon such officers by virtue of their office. I have appeared for the Town before the Board of Tax Appeals and have represented the Town at hearings before the Department of Public Utilities.

An action by the Town of Foxboro against the Town of Walpole is pending in the Norfolk Superior Court. An attempt was made to remove this case to the Suffolk Superior Court but your counsel was successful in having it retained in the Norfolk Superior Court.

Suits for land damages as a result of takings by eminent domain for the purpose of constructing or relocating streets are now pending in the Norfolk Superior Court.

Claims against the Town for injuries received as a result of defects in sidewalks have been settled. Last year in my report, I urged the necessity for keeping sidewalks in a proper state of repair. Again I suggest that a serious study be made of the matter and a comprehensive plan be adopted which would remedy the situation without imposing too heavy a burden on the taxpayers. I believe that although the initial cost would be more than the usual appropriation for sidewalks, in the end it would prove to be a sound investment for the Town from more than one viewpoint.

I wish to take this opportunity to thank the various town officials for the fine spirit of cooperation which they have exhibited to me in my work.

RICHARD H. KANNALLY,  
Town Counsel.

---

**TOWN ENGINEER AND SUPERINTENDENT OF SEWERS**

**Highways**—In conformity with the action taken at the annual town meeting, this department operated solely on maintenance, in cooperation with the war effort. Shortly after the Town Meeting the War Production Board issued an order which eliminated practically all new construction. No changes in our program were necessary. South Street was scarified and reshaped between Gleason Court and the residence of William Cheever, prior to which, suitable drainage was provided. The entire surface was graveled and tarred. East Street was rebuilt in front of the residence of John Burke with tar and gravel and 490 lineal feet of curb installed. Stone Street Extension was improved by filling in

the holes with gravel and putting some fill opposite Clark's Pond where eventually this road will be widened. In addition the following streets were re-surfaced: Allen, Barstow Road, Bowker, Brook, Bullard, Cascade Terrace, Cedar, Clark Avenue, Diamond, East, Ellis, Elm, Fisher, Gill, Gould Avenue, Granite, Hansen Ave., High, Huntington Avenue, Hutchinson Road, Kingsbury, Lincoln Road, Mylod, North, Old Post Road, Peach, Pemberton, Plain, Summer, South, Spring, Sumner, Washington, Wedgemere Court, West, Willow and Winter Streets.

Catch basins and drainage systems throughout the town were cleaned and the brush cut on Allen, Brook, Bullard, Fisher, Gould, High, Mylod, North, Pine, South, Spring and Winter Streets. Sidewalks were repaired on Common, East, Main, Union and Washington Streets and Rhoades Avenue.

A drastic curtailment in the operation of the highway trucks was made due to rationing regulations. The equipment in this department is in good condition and has been maintained with a high degree of efficiency.

**Chapter 90 Maintenance**—The County and the State made grants of \$1,000.00 each and the town appropriated a like amount for the maintenance of Chapter 90 roads. The following work was completed: The shoulders on Route 109, County Road were repaired., High Plain Street from the superhighway to East Street, Winter Street from Stop River Bridge to Main Street, a small section of Washington Street near the residence of Mrs. Mary Zealand, Shufelt Road from the town line to Winter Street, and one side of Common Street, southwesterly from the residence of Carl Swenson were surface treated. Spot patching was done on County Road. A new drain was put in on Shufelt Road. Catch basins were cleaned and brush cut on the following Streets: Common, Coney, County Road, High Plain, Shufelt Road, Washington and Winter Streets. Highway guards were repaired and painted on Elm and Washington Streets.

**Parks and Playgrounds**—The department confined its activities to maintenance solely. Lawns, commons and tree belts were maintained in a creditable manner and the ashes removed from the schools regularly. The driveway at the High School was resurfaced. Due to shortage of help this department aided the highway department in the large resurfacing program carried on this year. Complying with restrictions Christmas trees were eliminated from the common in the center and the one in South Walpole.

**Town Forest**—Considerable cleaning and trimming was done throughout the entire forest with fire prevention and proper growth in view.

**Tree and Insect Pest Department**—Thirty-six trees were set out in various sections of the town. The trees along the highways were thinned and considerable dead wood cut out. Several large trees which were damaged by the hurricane were removed. In the early part of the year considerable creosoting was done and the trees adjacent to the highway were sprayed with arsenate of lead. The infestation of the elm leaf beetle, which has been giving me considerable concern, appears to be under reasonable control.

**Sewer Department**—No new construction was done in this department. Eleven house connections were made totalling 5,891 lineal feet of 4" C. I. pipe, making a total of 269 house connections in the system. The length of the system at the present time is 61,337 lineal feet excluding house connections.

**Repairs to Public Buildings**—In addition to regular maintenance on all public buildings major repairs were as follows: Bird School—ceilings replaced in the Manual Training room, Domestic Science room, Auditorium, and rooms 2, 9, 10 and 16. Boyden School—two pair of doors hung, Fisher School—new lavatory installed, High School—entrances re-roofed, floors repaired and rooms painted, Plimpton School—new pipe and damper, painted toilets and hallways and repaired and painted ceilings in the basement, Stone School—new windows installed, Center Library—walls repaired, East Library—installed stoker and painted the outside of the building, Blackburn Memorial Building—the exterior painted, Town Hall—interior painted, six rooms and hallways.

**Water Department**—This department operated on a maintenance basis only. Sixteen new services were installed to July 1st. All gate boxes in town were raised and painted white in order to locate them more readily in case of emergency. A six inch main was laid on the extension of Calvert Road and two sprinkler systems installed in factories. The interior of the pumping station was painted and the standpipe lot cleaned of brush and undergrowth. Since July 1st no new installations, except for the war effort, can be made without permission of the War Production Board. During the year a contract was let to the Edward Hughes Company for the inspection and repairing, if necessary, of the wells and the well field. The contract was started in December, several wells have been washed and their output greatly increased. The total amount of water pumped for the year was 391,027,000 gallons an increase of 22,454,000 gallons over last year.

**Health Department**—This important department was, as in previous years, under the administration of Dr. F. H. Fuller. His performance of the duties incumbent upon the office and his promptness and willingness to perform these duties are indeed commendable and greatly appreciated by me. His detailed report appears elsewhere in this report.

**Purchasing Department**—Throughout the year the problems of municipal purchasing have been considerably increased due to preference ratings being required by the War Production Board for the purchase of nearly all supplies needed by a municipality and the shortages of such supplies. The amount of work involved in the department is justified as it is one of the most successful departments. Centralized purchasing affords an opportunity to take advantage of favorable market conditions, secure benefits of quantity purchases and it insures the town of having such supplies as are necessary for the operation of the various departments at all times, thereby increasing the efficiency of each department.

FREDERICK F. LIBBY,  
Town Engineer and  
Purchasing Agent.

---

### HEALTH OFFICER

During the past year the reportable diseases have averaged less than usual. Through the cooperation of the doctors, school nurse, school authorities and health department much can and is being done to insure as low a percentage as possible of preventable diseases.

Unfortunately there continues to be a lack of cooperation on the part of certain parents, wilfully or otherwise, who either send their children to school with contagious diseases or allow them to circulate through the neighborhood with eruptions on the body, the nature of which they do not know. Such people neglect to call their physician with the result that contagious disease is spread and the schools and others are put to extra work, discomfort and expense.

I have made sanitary inspections as follows, thirty-six first inspections; of these, ten places have been re-visited from one to four times during the year. Stores and eating places have, in general, been found in good condition.

I recommend an extra appropriation for cleaning out several small streams.

One building was ordered vacated as unfit for human habitation.

Contagious diseases were reported as follows:

Chicken Pox .....	7	Scarlet Fever .....	9
Measles .....	19	Suppurative Conjunctivitis ...	2
German Measles .....	1	Meninococcus .....	1
Mumps .....	7	Paratyphoid B. ....	1
Whooping Cough .....	15		

I wish to express my thanks to the Chief of Police for his prompt cooperation in the few cases where the services of the Police were considered necessary.

DR. F. H. FULLER,  
Health Officer.

### SCHOOL DENTIST

Record of dental operations during 1942:

Number of extractions:	
Deciduous teeth .....	171
Permanent teeth .....	27
Number of fillings:	
Deciduous teeth .....	345
Permanent teeth .....	696
Miscellaneous operations .....	456

C. F. CHADWICK, D. D. S.,  
School Dentist.

### DENTAL HYGIENIST

A survey conducted by the Division of Dental Hygiene, State Department of Public Health, disclosed that the Walpole dental program compared favorably with other programs in the State.

However, one recommendation was made, that the remedial work be limited to children of the pre-school, first, second, third and sixth grades, to make the program more efficient.

This recommendation was studied and approved by the Health Officer and the School Committee and was put into effect in September, 1942.

Another change this year was in having the dentist operate in each school successively, so that all the children receive their dental care in their own respective school. This plan met with approval and success, as it has eliminated the problem of transportation to and from the dental clinic and has cut down very considerably on the time spent out of classroom, for dental care.

The educational program has remained the same, covering the elementary grades, with inspections, prophylactic treatments, and lessons in dental hygiene, by correct knowledge, skills, habits and attitudes of good dental health.

Number of cleanings (prophylactic treatments) 857.

May I thank Dr. Fuller, for his kind interest and support and also all those who have helped to further the dental program by their cooperation.

Alice Bourassa,  
Dental Hygienist.

---

### MILK INSPECTOR

The Health Department issued twenty-six licenses to sell milk and cream for stores and restaurants, eighteen for dealers and eight local permits for producers retailing less than twenty quarts daily.

Usual inspections of dairy animals, premises and samples of dairy products have been made. My records of microscopic appearance, bacteria count, total solids, sediment and percentage of butter fat for all licensed dairies prove the town's supply to be most satisfactory.

The percentage of milk that is pasteurized locally has appreciably increased, four licenses to maintain and operate a pasteurization plant having been granted.

Walpole's milk supply is of such a quality that no trouble whatever has been experienced as a result of the every other day delivery started early in the year as a part of the war effort.

A total of \$62.50 in license fees was collected.

Willis H. Hoyt,  
Milk Inspector and Agent.

---

### ANIMAL INSPECTOR

Pursuant to a letter dated October 13, 1942, from the Department of Agriculture, Division of Livestock Disease Control, of the Commonwealth, the annual visit and inspection of premises where livestock is kept was discontinued for the present due to war conditions.

However, inspections of animals and premises where contagious disease has existed have been made. All new cattle admitted to herds from outside the state have been examined and admitted to herds.

No positive cases of Rabies were found in Walpole.

Francis X. Maguire,  
Animal Inspector.

---

### PLUMBING INSPECTOR

Fifty-eight inspections were made during the year, the details of which are on file with the Selectmen.

Edward F. Onion,  
Plumbing Inspector.

**SUPERVISOR OF SWIMMING POOL**

The Pool was open as usual during the summer months of 1942. Mrs. Marie Burrill was matron.

The total number of individuals using the pool was about 1100. The total attendance for the season was 11,000.

Senior and Junior classes were held in Red Cross Life Saving.

Since I have received a commission in the U. S. Army, I shall be unable to continue as supervisor of the swimming pool.

STANLEY C. FISHER,  
Supervisor.

**SLAUGHTER INSPECTOR**

The following inspections were made:

Hogs .....	64
Cattle .....	7

FRANCIS X. MAGUIRE,  
Slaughter Inspector.

**BOARD OF PUBLIC WELFARE AND  
BUREAU OF OLD AGE ASSISTANCE**

This department handles all phases of local, state and Federal relief. Most persons in our town are conversant with the salient principles of Social Security which embraces Old Age Assistance and Aid to Dependent Children.

Since war was declared a year ago and the resultant increased work activities, a substantial decrease in expenditures is noted in the Welfare Department.

We again call attention to the law-suit brought by the Town of Foxboro against Walpole but which has yet to come to trial in the courts.

**Welfare Department**—Institutional care, 7. Cases in other cities and towns, 16. Welfare general relief, 40. Old Age Assistance in Walpole, 95. Old Age Assistance in other Cities and Towns, 9. Aid to Dependent Children, 9. State cases O. A. A., 6, and Welfare State Cases, 4.

**General Welfare**—We are engaged in a global war. Your Welfare Board is alive and alert to the new conditions brought about by war. We want to promote human welfare in our own community. Keep our home lines intact and state and nation will remain, as our valiant sons and daughters who are giving their all, wish it. This is no time for petty trifling or dissension on our home front.

Mrs. Nilla Bock, investigator and active participant in all Public Welfare Department work for nearly eighteen years, tendered her resignation effective as of December 14, 1942. The remaining members realize only too well the trying situations and just and unjust criticisms that are bound to arise with investigating work. Mrs. Bock has worked hard and diligently for the best interests of all concerned and we are firmly convinced that as time goes on her efforts in the past will be greatly appreciated. We are indeed sorry to have her leave.

A detailed account of receipts and expenditures will be found in the report of the Town Accountant.

#### **Board of Public Welfare**

T. E. Delaney  
H. E. Towne  
Nilla Bock

#### **Board of Old Age Assistance**

T. E. Delaney  
H. E. Towne  
Mabel H. Hart

---

### **CHIEF OF FIRE DEPARTMENT, FIRE ALARM SUPT., WIRE INSPECTOR AND TOWN ELECTRICIAN**

During the year the fire department has responded to 55 Box Alarms and 11 Still Alarms.

Summary of alarms and fires for the year:

Building Fires .....	26	Coal Storage Fires .....	2
Chimney Fires .....	10	Emergency of First Aid .....	2
Automobile Fires and Truck Fires .....	6	Oil Burners .....	4
Dump Fires .....	0	Lumber Yard Fires .....	1
False Alarms .....	2	Out of Town Fires .....	2

We have laid 35,500 feet of hose and raised 375 feet of ladder.

Insurance on buildings and contents burned .....	\$423,550.00
Loss on Buildings and contents burned .....	261,786.64
Insurance Paid on Buildings and contents burned .....	258,787.54
Total Loss on Buildings and contents burned not covered by insurance .....	2,999.10

I have inspected and issued the following permits:

- 11 Permits for storage of range oil
- 29 Permits for storage of furnace oil
- 1 Permit for storage of bulk furnace oil
- 2 Permits for use of dynamite

All schools were inspected as to fire drills. The pupils have been instructed in fire prevention and how to send in an alarm in an emergency. I commend the school department on their good work.

As a defense measure we have formed an auxiliary fire-fighting force of 35 men who have already been used in active service and are to be commended for their fine work.

At this time I should like to comment on the Diamond Match Co. fire which I believe was the worst fire in the history of the town, with an estimated loss of nearly one quarter of a million dollars. I believe the loss at this fire would have been a great deal less had the company employed a watchman on the premises at all times. The expense of these services would have been slight comparing to the loss of valuable buildings and building materials.

### Forest Fire

We have had 59 box alarms, 12 still alarms and 2 out-of-town calls.

During the dry period last spring we had a great many alarms for Grass and Forest Fires but I am happy to report we were able to keep them small with little damage. It is possible that in the future where fires are caused by unapproved incinerators, the owner will have to pay the cost.

I hope the Town Committee on Public Safety will find it possible to allow me to purchase a truck on which to mount a skid pump allocated to my department by the Office of Civilian Defense. We already are making use of our G.M.C. Forest Fire Truck for a similiar unit of 500 G.M.P. also allocated to us by the Office of Civilian Defense. In times of emergency, particularly, these pumps will be invaluable.

I wish to thank Town Engineer, Frederick F. Libby for granting to Captain Aaron H. Hill of the Fire Department the privilege of using the machinery of the Water Department in constructing our new piece of Forest Fighting equipment. The new truck has an all steel welded body and is equipped with all essential equipment and has saved the town a great deal of money during the year. Captain Hill is to be congratulated on this fine piece of work. Other members of the department also aided in painting the new truck with a priming coat of paint thus saving the money for a paint job.

### Fire Alarm Department

A large amount of work will have to be done on the fire alarm lines this year. I will also have to renew the batteries for the fire alarm system.

I feel our present fire alarm system which is being used as an air raid alarm system is not satisfactory for the entire town and therefore some steps should be taken to obtain some other system to work in conjunction with the present warning system.

### Town Electrician

I have had 66 working orders this year through the office of the Town Engineer, also a number of telephone calls from the School Department and Library.

### Wire Inspections

I have had 78 applications for permits to do wiring this year and want to commend the workmanship of the electricians. It pays to have a licensed man do electrical work. I also want to thank the Board of Selectmen, the firemen and the people of Walpole for their support and cooperation.

I take this occasion to pay tribute to a departed member of our Fire Department. On January 27, 1942 Captain Roscoe T. Ferden of Company 3 passed away at his late home following a brief illness. Captain Ferden was a member of the Fire Department for many years and always did his duty exceedingly well. He will be missed not only by the members of the Department he was attached to but by the entire Department as well. Besides being a member of the Fire Department he was also active as a member of the Town Appropriation Committee. To his wife and family goes the sincere sympathy of the members of the Walpole Fire Department.

CHESTER L. DONNELL,  
Chief of the Fire Department.

## POLICE DEPARTMENT

Chief of Police.

## INSPECTOR OF BUILDINGS

Permits were issued by me for the following:

	Number	Approximate Cost
Dwellings, new .....	8	\$25,000.00
Dwellings with Garage attached, new .....	6	23,500.00
Addition and Alterations to Dwellings .....	22	14,630.00
Commercial Buildings, Additions and Alterations .....	3	3,000.00
Manufacturing Buildings, Additions and Alterations .....	5	6,500.00
Garages, new .....	15	3,555.00
Cellars .....	1	200.00
Barns .....	2	550.00
Poultry Houses .....	12	3,925.00
Small Buildings .....	4	990.00
Camps .....	2	375.00
Total .....	80	\$82,275.00

In addition to the issuance of the above 80 permits, 222 inspections were made. \$97.00 was received for permit fees. 15 plumbing permits were approved.

FRED J. TETREAUULT,  
Building Inspector.

## SEALER OF WEIGHTS AND MEASURES

The following Scales and Meters were tested and sealed:

Platform Scales—over 10,000 lbs. ....	10
Platform Scales—5,000/10,000 lbs. ....	6
Platform Scales—100/5,000 lbs. ....	57—N.S. 3
Counter Scales—over 100 lbs. ....	3
Counter Scales—under 100 lbs. ....	30
Spring Scales—over 100 lbs. ....	3
Spring Scales—under 100 lbs. ....	42
Computing Scales—under 100 lbs. ....	20—N.S. 1
Personal Weighing Scales .....	11—N.S. 2
Prescription .....	4
Avoirdupois .....	190

Apothecary .....	39
Metric .....	42
Liquid Measures .....	7
Oil Jars .....	3
Gasoline Pumps .....	1
Stops on Pumps .....	5
Gasoline Meters .....	61
Grease Meters .....	13
Tank Truck Meters .....	12
Bulk Station Meters .....	5
Kerosene Pumps .....	1

#### Weighing of Commodities Put Up For Sale

Butter .....	148 Packages
Sugar .....	90 Packages and Bags
Flour .....	35 Bags
Nuts .....	26 Packages
Coal in Transit .....	2 Truck Loads
Olive Oil .....	12 Bottles
Sausage .....	15 Packages
Potatoes .....	10 Bags
Onions .....	15 Packages
Bread Markings .....	18
Scratch Feed .....	22 Bags
Coffee .....	58 Packages and Cans

WILLIAM F. SMITH,  
Sealer of Weights and Measures.

#### BOARD OF ASSESSORS

We herewith submit our Annual Report for the year 1942, and for comparison we show the statistics for the year 1941:

	1942	1941
Number of Persons, Partnerships and Corporations assessed on Property .....	2075	2084
Number of Persons Assessed on Poll Taxes .....	2553	2491
Value of Assessed Personal Property .....	\$1,748,600.00	\$1,782,832.00
Value of assessed Real Estate:		
Buildings .....	\$9,547,598.00	\$9,373,874.00
Land .....	1,700,519.00	1,658,514.00
	<u>11,248,117.00</u>	<u>11,032,388.00</u>
Total Value of Assessed Estate .....	\$12,996,717.00	\$12,815,220.00

# BOARD OF ASSESSORS

### THE SCHOOL COMMITTEE

The School Committee presents this report for the year ending Dec. 31, 1942, together with the report of our Superintendent.

At the first regular meeting, the following officers were elected: Richard H. Kannally, Chairman, and Mrs. Charles R. Howard, Secretary, and the following Committees were appointed:

#### Executive Committee

Denis F. O'Brien, Chairman  
Sydney D. Chamberlain  
Mrs. Axel Anderson

#### Committee on Textbooks

Mrs. Charles R. Howard,  
Chairman  
Mrs. Axel Anderson  
James Buffington

#### Health Committee

Mrs. Axel Anderson,  
Chairman  
James Buffington  
Mrs. Charles R. Howard

#### Committee on Teachers

Sydney D. Chamberlain,  
Chairman  
Denis F. O'Brien  
Mrs. Charles R. Howard

#### Committee on Physical Education

James Buffington, Chairman  
Denis F. O'Brien  
Sydney D. Chamberlain

(The Chairman is a member ex-officio of all committees)

The regular meetings of the School Committee are held on the first Monday of each month at 7:45 P. M. in the School Committee Room in the Plimpton School. It is the wish of the Committee that anyone having suggestions, problems, or desiring information on school affairs appear before the Committee when it is in session.

**Improvements and Repairs**—The following repairs to school property have been made.

#### Bird School—

New ceilings in Auditorium, Manual Arts, Domestic Arts, and in Rooms 2, 9, 13 and 16.

#### Boyden School—

New doors, at entrance to Auditorium and north rear.  
Conductor pipes replaced.

#### Fisher School—

Lavatory installed in Room 4 cloakroom.

#### High School—

Roofs of front entrances in old building recovered.

#### Plimpton School—

One classroom ceiling repaired.  
Two toilets painted.

#### Stone School—

New windows installed in two classrooms.

## REPAIRS NEEDED

**Bird School—**

Cement floors, 2 basements.  
 Cut door in outside wall of 1 basement.  
 Paint corridor walls.  
 Lay new floors, 3 classrooms.

**Boyden School—**

Paint 3 rear entrances.  
 Paint 2 toilets.

**Fisher School—**

Paint basement, whiten ceilings.  
 Paint classrooms and corridors.  
 Replace broken slates on roof.

**High School—**

New doors, Room 109, 110, 112, 209.  
 Paint auditorium and entrances and stairwells.  
 New flashing on roofs of gymnasium and locker-room.  
 Complete athletic field at rear of Plimpton School.

**Plimpton School—**

Ceiling repairs, 2 rooms.  
 Re-surface yard at rear.

**Stone School—**

Complete exterior work started in 1939.  
 Paint interior.  
 Replace windows, 2 rooms.  
 Re-floor upper corridor.  
 Replace wooden fire-escape.

**All Buildings—**

Flagpoles: Paint all poles.  
 New ropes when and where needed.

**Adoption of Spanish—**In the summer of 1942, the Committee decided to introduce a course in beginner's Spanish in the High School. This course replaces a similar one in the Italian language, which had been introduced in 1938. The number of pupils expressing a desire for Italian had fallen so low that its continuance could not be justified, while the number desiring Spanish had risen to 25. The adoption of Spanish is in line with this country's close contacts with the South American Republics. Our amicable relations with Brazil may make the adoption of Portuguese highly desirable at some future time.

**Manual and Domestic Arts—**The teaching of manual training and sewing to the boys and girls of the Sixth Grade was discontinued in September 1942. This is, we hope, a temporary measure. It was brought about because of the increasing need for the teaching of these subjects in the Senior High School, and by the shortage of teachers of manual subjects. When a high school teacher of woodworking resigned, it became necessary to use our two men teachers of woodworking in high school classes. The work in Grades Seven and Eight was curtailed to only a slight extent.

**Teacher Changes**—The demands of a country at war have created a nation-wide shortage of teachers. The effects have begun to be felt in Walpole. One teacher has been called into military service; one left to teach at an army camp; four left to accept higher-paid teaching positions; one left to enter business; two left to marry. One left because of poor health.

**Defense Use of School Buildings**—During 1942, our school buildings have been used extensively for afternoon and evening classes held under the auspices of the Walpole Committee on Public Safety. The Boyden School has been designated and equipped as a Medical Center. The Bird, Fisher and High Schools have been designated as Emergency Shelters.

**Schools Closed for Registrations**—School teachers and school buildings were required to facilitate the registration of citizens for various reasons which necessitated the closing of our schools as indicated below:—

Feb. 16	Selective Service Registration	All Schools
April 28, 29	Sugar; commercial users	High School
May 4, 5, 6, 7	Sugar; civilian users	Elementary Schools
May 12, 13, 14	Gasoline	All Schools
July 9, 10, 11	Gasoline	Elementary Schools
Oct. 28, 29, 30	Fuel Oil	Elementary Schools

Many high school girls assisted as typists during the four Identification Meetings held at the High School by the Walpole Committee on Public Safety.

Several teachers and pupils have taken their regular turn of duty at the Walpole Report Center.

**Scarlet Fever**—The Boyden School was closed for one week in June because of a mild epidemic of scarlet fever. Due to the fact that this occurred during the last week of the school year, school progress was interfered with very little.

**Transportation**—For a number of years, the School Committee has maintained the policy of transporting pupils of Grades 1 to 6 who live more than  $1\frac{1}{4}$  miles from the school, and pupils of Grades 7-12 who live more than  $1\frac{1}{2}$  miles from the school. War time restrictions, involving difficulty in obtaining tires and gasoline, have resulted in higher transportation costs.

Two factors have operated to impel the Committee to consider ways and means of curtailing and re-arranging transportation routes:—

1. Increased costs.
2. Requirements of the Office of Defense Transportation, from which the following are excerpts:—

"Side trips off the main trunk route—shall be eliminated wherever practicable."

"Transportation shall be provided for students—who would have to walk more than two miles to school or more than a mile and a half to a school bus trunk route."

"School bus stops for receiving or discharging pupils shall be spaced so that there is—preferably one-fourth mile between adjacent stops."

"School authorities shall cooperate in arranging staggered school hours where the effectiveness of existing transportation facilities can be increased thereby."

These requirements are in accord with Massachusetts law which requires a town to furnish transportation for the whole or a part of the distance if a pupil lives more than two miles from the school which he is entitled to attend.

In September, the Committee took the following steps in the direction of reducing school transportation:—

1. Certain trunk routes were shortened.
2. Bus-stops were spaced farther apart.
3. Hours of school sessions were changed at the Bird and Stone Schools.
4. Participation of high school pupils in inter-school sports was curtailed. Games are now arranged only with schools which can be reached by using regular public transportation agencies.

If transportation costs are to be kept down to a figure comparable with the amount appropriated for 1942, other and more drastic steps will have to be taken.

**Oil Heating at Boyden School**—All our school buildings except the Boyden School are heated by coal. Ample supplies of coal are on hand. However, heating the Boyden School presents a problem. We are not sure that the heater can be converted to the use of coal. If it cannot be converted, the oil-shortage may compel the temporary closing of the school, or the transportation of the pupils to other buildings.

**Physical Training for High School**—In order to help provide our pupils with some preparation for war duties, we plan to introduce a course of intensive physical training for both boys and girls of the Junior and Senior classes. Since the training will be strenuous, we plan to have our school physicians give a thorough and comprehensive physical examination to each pupil before he starts the course.

**Receipts on Account of Schools—**

Town of Norfolk, tuition .....	\$8,461.55

School Committee

**SUPERINTENDENT OF SCHOOLS**

**Enrollment:** This Table shows our school enrollment for the past fifteen years.

	<b>Grades 1-6</b>	<b>Grades 7-8</b>	<b>Grades 9-12</b>	<b>Total</b>
1928	986	286	392	1664
1929	973	275	401	1649
1930	948	299	440	1687
1931	968	291	472	1731
1932	978	289	511	1778
1933	992	301	537	1830
1934	951	275	536	1762

1935	940	277	570	1787
1936	939	286	550	1775
1937	909	285	579	1773
1938	901	284	568	1753
1939	893	300	577	1770
1940	883	288	577	1748
1941	883	280	589	1752
1942	856	279	547	1682

**Other Tables and Statistics:** Tables and charts giving information regarding teachers, enrollment, and costs will be found on pages following the reports by various school officials and supervisors.

**Textbooks:** Textbooks continue to be available although at an increased cost. Only one textbook adoption was made in 1942: This was a book in beginner's Spanish—"First Spanish Course" by Hills and Ford, and published by D. C. Heath & Co.

**Equipment and Supplies:** Rapidly rising costs of supplies used in instruction were noted. Costs of some supplies doubled. Some kinds of supplies cannot be bought at any price. Scissors, inkwells, rubber bands, to note only a few, are out for the duration. Typewriters, pupils' desks and seats, equipment for the science laboratory and many chemicals cannot be purchased. The fact that these items are not available accounts for the fact that we spent only a small part of our appropriation for maintenance of equipment. It does not mean that we do not need the articles. It does mean that with the passage of time we will feel their lack very seriously.

Principals and teachers are keenly aware of the need for making equipment and supplies last as long as possible and are practicing economies.

**Participation in Drives:** During the year, the schools have taken part in a number of collection campaigns.

**1st. Book for Camps:** The United Service Organization sent out a request for books for the many army camps. Our pupils brought in and collected literally hundreds. At one school alone, over one thousand books including fiction, biography and science, were collected. Many citizens voluntarily sent in large and valuable sets.

**2nd. Paper and Scrap:** Several tons of paper and scrap metal were brought in and collected at the schools.

**3rd. Bonds and Stamps:** Early in the year, pupils were urged to use the schools for the purchase of War Savings Bonds and Stamps. The amounts purchased have been surprising. During one week alone, over \$2,500.00 worth were purchased. The weekly purchases run into the hundreds of dollars.

**4th.** At present, pupils are assisting in the drive sponsored by the United States Mint to put back into circulation the quantities of pennies and nickels stored away in "piggy banks."

**Curriculum Changes:** The requirements of a country at war have brought from the Army and Navy a demand that certain phases of secondary school training be emphasized immediately. The things needed most urgently in their judgment are—

1. Intensive training in Mathematics and Science for High School Junior and Senior boys.
2. Physical training for all High School boys and girls.

The Government and some private organizations have supplied Courses of Study and Outlines designed to be helpful in giving boys pre-flight training in aeronautics. Some of the leaders go so far as to recommend dropping of many of the traditional high school subjects in order to make room for and to speed up pre-induction training in Mathematics and the Sciences. These recommendations are being studied.

The United States Department of Education sponsored a three-day conference in Boston in November at which Physical Education instructors were given an outline of the immediate needs and types of physical training, and the probable necessary changes in secondary school procedures.

**These include:—**

a. Shift in emphasis from Physical Education to Physical Training.

b. At least one period per day five days a week of intensive physical training for every boy and girl in the Junior and Senior classes in High School.

The purpose is to shorten the training period for boys after induction into the Services, and to toughen the girls so as to enable them to more readily stand up under the physical requirements of work in industry.

The foregoing are integral parts of the High School Victory Corps. It is not expected that all of the suggestions can be adopted in any one High School. After studying the program, we have felt that our most worthwhile contribution will be the adoption and carrying out of a physical training program. This is in process of construction and will probably include.

- 1st. Division of the school day into seven periods. This will make an additional and needed period per day.
- 2nd. Re-making of the daily program so as to permit all boys and girls of the Junior and Senior classes to have one period per day of physical training.
- 3rd. Assigning certain teachers to the task of giving intensive work in physical training.

**Safety:** The schools have continued the practice of having air-raid-drills as well as the customary fire-drills.

The Principals and the Chief of the Fire Department make regular inspections of the buildings to note and correct the conditions which would create fire or other hazards.

**Service Work by Teachers:** The Government called upon our teachers to assist with various Registrations. Their ready response and capable work are to be highly commended. Much credit is due them when it is realized that in nearly every Registration they had to proceed on very short notice and after hurried and inadequate training.

**Conclusion:** I take pleasure in extending my thanks to Principals and Teachers for the splendid way in which they have met new demands, and have carried-on with their regular classroom work. The cooperation of all who have helped with any phase of school work is much appreciated.

ARTHUR C. JONES,

Superintendent of Schools.

### PRINCIPAL OF THE HIGH SCHOOL

I herewith submit my annual report as Principal of Walpole High School.

The attendance at the school is somewhat less than last year and the following table will show the enrollment on December 18, in the different classes.

Freshmen	131	Seniors	127
Sophomores	157	Post Graduates	1
Juniors	121	Total	537

The enrollment for the last five years is shown in the table below.

1937-38	1938-39	1939-40	1940-41	1941-42
581	570	579	577	589

The attendance continues good and is reported for the last year as 93.85%.

Class size is less in some cases but there still is an unfavorable condition for best study results in the cafeteria which we are forced to use as a study hall. The attendance in this study hall each period is over 100 pupils which does not make for best results.

Students of art classes have done some excellent work on the Christmas windows on the south side of the building and many favorable comments have been received.

Our athletic program has been continued with some necessary curtailment due to conditions beyond our control. We wish to express appreciation for the use of Bird Field and the Walpole Country Club Course by our football and golf teams.

Pupils who are interested in literary work find opportunity in our school magazine the "Hill Quill." The circulation of this magazine has shown a steady increase and the interest of the Walpole Retail Merchants' Association makes this activity financially profitable.

The teachers continue to insist that good work is done by pupils and our standard of work continues on a high level. Our teachers have willingly and generously contributed time and effort to the various demands of governmental rationing. They are attempting to adjust their courses of study to meet the requirements set up by the government for the training of young men and women.

I wish to thank the teachers and you for your cooperation during the year.

HAROLD A. STROUT,

Principal of the High School.

---

### SUPERVISOR OF ART

This annual report, due to world conditions, is in reference to the status of art during a period of almost universal conflict.

At this time it is of great significance that we should view this subject as a means of strengthening the national endeavor.

Governor Saltonstall's letter pertaining to National Art Week which was observed November 1-7 refers to the nation-wide reputation of Massachusetts for "the products of our skilled designers and workmen, of our artists, architects, and craftsmen who by their intelligence and skill have contributed not only to our pleasure but to our material prosperity. In a world increasingly aware of the value of good design in selling every object of trade, it is important that our people should give recognition to the artists and craftsmen in Massachusetts who can win for us first place in world markets." May I add that this has been and is possible only as a result of art training throughout the school life of the student. Art instruction of the proper kind, offered from the begin-

ning of the school experience of a little child and continuing throughout the interest span which in the case of creative endeavor may extend through the high school years and possibly into adult life, will increase the value of our products.

Another quotation is submitted, this time from a letter mailed from the Treasury Department, Washington, D. C. "The art teachers and art students of America have probably made more posters and put them before more people than any single government agency."

An article entitled "American Artists and the War," an excerpt from the "American Artist" magazine, refers to the fact that "it is not long before they, the public, re-discover that the artist not only spoke for them in peace, but inspires and instructs them in war. When one considers the magnitude of the threat to all of us, the job of art in war cannot end there. In the first place, the essence of art is freedom. The American people need the artists now to charge them with the grave responsibilities of spelling out their anger, their grief, their greatness, and their justice."

Such quotations challenge one to give most careful consideration to the objectives of art instruction and to take into consideration the numerous opportunities afforded for the development of the essential characteristics of good citizenship.

As Art Supervisor, believing in expression of thought rather than perfection of technique, I feel an ever increasing, favorable reaction to the quality of art instruction presented by our teachers who are sufficiently progressive to adapt their instruction to the needs and interests of the students while, at the same time, they maintain a high standard in accordance with modern educational practice.

HELENA M. SAUNDERS,

Supervisor of Art.

---

### MUSIC SUPERVISOR

1942 has brought no curtailment in the music activities of our schools except in one direction. The lack of metal instruments, which are no longer manufactured, has eliminated a considerable number of prospective students in this field. Fortunately, stringed instruments are still obtainable at reasonable cost.

Directors of music everywhere have for some time past deplored the tendency of students to elect band and neglect orchestral instruments. The reason for this condition is not difficult to explain. The band instrument is easy to learn and more quickly admits the student to participation in ensemble satisfactions. The stringed instruments demand a keen ear, and are technically

slower to satisfactory results. Perhaps the metal prohibition will prove a blessing in disguise.

The interest in singing has been stimulated by the war songs. We use them in all chorus groups and in the class rooms. As an emotional safety-valve there is no better medium than singing. I am glad to report that we are using that medium enthusiastically.

ADELBERT H. MORSE,  
Supervisor of Music.

---

### **SUPERVISOR OF HOUSEHOLD ARTS**

I herewith submit my annual report as Supervisor of Home Economics for the past year.

Due to the transportation problem, clothing has been discontinued in the sixth grades "for the duration." We have tried to combine both sixth and seventh grade work in the seventh grade by their using the sewing machine to make a complete cooking uniform and the problem usually made in the sixth grades. The periods have been cut in number in the eighth grades but with a reasonable amount of homework we hope to attain the same results as in previous years; that is, the correct use of commercial patterns in the construction of garments.

The food classes carried on the regular work.

We have used the outline in our high school work as a base, but with conditions as they have been, we have diverged from it considerably. In all the classes we have stressed consumer education problems, conservation of food and clothing, and good health habits.

Due to the change in our teaching programs, Miss Schueler has been teaching two of the classes in home-making.

The girls responded very well to the appeal for knitting. We were proud of the garment they passed in to the Red Cross and British Relief.

It was necessary to change some of the prices for food in the cafeteria this year due to the increased commodity charges. The number of people buying lunches has increased. I have found it difficult in the past few months to get all my supplies. With my full teaching program and trying to manage the cafeteria in these days of rationing, it is impossible to have variety in the menu, and it isn't always possible to have an adequate supply of all foods.

I feel, however, with the faithful cooperation of our merchants, and the consideration of our patrons, there will be something for everyone, and we will appreciate your patience.

DORIS MAXFIELD,  
Supervisor of Household Arts.

### **SUPERVISOR OF MANUAL ARTS**

Our shops have taken part in the war program by building Red Cross splints and sixteen folding stretchers, and we are now making model airplanes to be used in training for National Defense. Three of our boys are also constructing a piece of apparatus to be used by those interested in aviation, for practice work in the controls of airplanes.

We wish to express our appreciation of the gift of several Delta woodworking machines to the Bird School by Mrs. Francis W. Bird. These machines consisting of a lathe, jig saw, circular saw and drill press with their attachments were from the home workshop of her son Mr. Francis W. Bird. This equipment will be of great value in the Bird School shop by increasing the boy's experiences with machines and by adding to the scope of their work.

Due to the shortage in our teaching force in the shops, we have had to cut some of the work in the grades. Also due to war conditions, the scope and type of our work has been somewhat modified. We hope these changes will prove to be only temporary.

ARNOLD F. GROVER,

Supervisor of Manual Arts.

---

### **SUPERVISOR OF PHYSICAL EDUCATION**

Physical education, along with every other phase of living, has been affected by the war. The first appreciable effect was in the curtailment of inter-scholastic activities, due to the transportation situation. Because of this there were only two inter-scholastic field hockey games this fall, and no tennis matches last spring.

In November of this year the Physical Fitness Department of the Office of Civilian Defense requested all instructors in physical education to place the entire emphasis of their programs on building muscle and body stamina; to center their interest on the high school group, doubling or tripling the amount of time devoted to this age; to incorporate only the most vigorous types of activities, calisthenics and marching (which latter have been looked upon for many years as having little "educational value"), combative activities for boys; and aquatics where possible. The main objective is to turn out eighteen year olds, both boys and girls, whose bodies can stand strain without undue fatigue.

In so far as possible, under the present time allotment and existing facilities, emphasis in the High and Junior High Schools has been in line with this request. The gym period instead of being an interval in the school day of diversified activities which

relaxed as well as stimulated the pupil, is now a period for a stiff "work-out".

The work in the grades has been carried on much as in other years. The most advantageous change being in the extension of a longer, and in some cases more frequent, gym period for all fifth and sixth grades.

It is hoped that a greater time allotment will be made for the high school age group before the end of the year.

MILDRED WALLACE,  
Supervisor of Physical Education.

---

### PHYSICIAN FOR THE BOYDEN AND STONE SCHOOLS

I am herewith submitting my report as School Physician for the year 1942.

Complete physical examinations were made on all of the children. Defects were noted by me and recorded by Miss Downing, our efficient School Nurse. Further more follow-up work was carried on by her.

She reported her successes and failures to me. In several instances I made special visits to the parents and convinced them that they should have the physical defects in their children corrected. In some cases children from homes where both parents were working in factories, were unkempt and dirty. Here again the School Nurse made special visits to the parents.

We are still making progress on the road to good health.

THOMAS M. CONNELL, M. D.,  
School Physician.

---

### PHYSICIAN FOR THE HIGH AND PLIMPTON SCHOOLS

I herewith present my annual report for the year 1942.

This has been an exceptional year in that there have been fewer cases of a contagious nature among children than ever before so far as I recall.

After examining almost one thousand of the pupils in the above schools, I find fewer cases of abnormal conditions to report than here-to-fore, with perhaps one exception, that of weak or pronated ankles, or flat-feet.

There are also a considerable number of poor postural conditions due to lax habits in sitting and walking. Several of these have been referred to the physical director for correction. A few children have spinal curvature as a result of taking the easy way. In addition to the above negligent habits, position in sleep has to be taken into consideration. Without the cooperation of the home, progress along this line is much less than it should be.

In regard to the attention given to hygiene in the schools, I can only say that the department which I represent gives through the dental hygiene division, a great deal of attention to this subject, by the talks to the pupils and by graphic illustrations through use of charts. I also know that the School Nurse does much in the course of the year in the teaching of hygiene both at the homes and in school.

In my examinations and inspections, the child's attention is called to physical defects, if the child is of suitable age to comprehend what is said and a record of these defects, if of sufficient importance, is sent to the child's parents. The order of procedure is as follows: General inspection, to see if the child is pale, undersized for age, if he is under-nourished, if ears, nose, and throat show any departure from normal.

Condition of skin, chest, feet, if found abnormal, the above is called to the attention of the School Nurse, who immediately places it on the child's physical record which she has before her, and the result is sent to the home. The child may be again referred to the School Physician if conditions warrant, at any time during the school year.

I feel that the several departments included in this report have done very meritorious work.

F. H. FULLER, M. D.  
School Physician.

---

### PHYSICIAN FOR THE BIRD AND FISHER SCHOOLS

I herewith submit my report for the Bird and Fisher Schools. The Physical examinations of the pupils have been completed.

I found that there are a large number of children in the above two schools suffering from diseased tonsils and adenoids. Many of these children also have enlarged glands of the neck which means that poisons from the tonsils are being absorbed into their systems. A surprisingly large number of these children have developed definite heart disease and a large number are showing evidence of beginning heart disease. Of the beginning heart disease cases almost one-half of them could be prevented from getting definite heart disease if their tonsils and adenoids were removed at once. It was surprising to notice that most of the diseased heart cases were more definite when the pupils reached the fifth and sixth grades. Despite the fact that the parents have been notified year after year of the child's suffering from the diseased tonsils and adenoids and the personal contacts made by the school nurse to the parents, nothing has been done to correct their children's defects. Diseased tonsils, adenoids and abscessed teeth are primary causes of chorea (Saint Vitus Dance), rheumatic fever and valvular disease of the heart.

I found only one case of mal-nutrition which is under proper care at present and this condition is almost always a fore-runner of tuberculosis. I am pleased to report that I have found no cases of tuberculosis and that our children are well nourished.

There has been noted this year an increasingly amount of uncleanness amongst the pupils and I presume that this is due to the fact that many mothers who formerly stayed at home are now working in various factories. Particular attention should be taken by these mothers to have some responsible person in their family to make sure that their children be kept clean in body and dress.

Many children are also suffering from flat feet. This condition may not be giving the child any symptoms at the present time, but in later life these pupils will develop symptoms which can be prevented by simple methods if the parents will only consult their family doctor when they are notified of the prevailing condition.

Particular attention has been paid to the sanitary conditions of the above two schools and certain improvements have been recommended to the School Department.

The administration of diphtheria toxin and anti-toxin and the Schick Tests are about to be started.

Notices have recently been sent to the parents of their children's physical defects and I trust that this year a decided effort will be made on the part of the parents to have them corrected.

EDWARD R. DeROMA, M. D.

School Physician.

---

### THE SCHOOL NURSE

The following is my report for the year 1942.

A physical examination was given to all children, special attention being paid to boys and girls in Senior High School who participate in competitive sports. A check-up, particularly on the condition of the heart, is made by the school physician on all boys and girls engaging in more than one branch of sports. This is done in order to determine their ability to continue further exertion.

Re-tests of eyes were made and several children were referred to eye specialists. A very unusual eye condition was observed in the schools, which resulted in the withdrawal of the child from the school, so that he may receive a highly specialized course of training and treatment.

In June of 1942, the Lions Club voted to set aside each year a sum of \$100.00 (one hundred dollars) to be used for eye examina-

tions or eye-glasses for the school children. This is a very much needed fund, and we express our gratitude for it.

The ear testing was done on all children in Grade III, all newcomers to our schools, and re-tests of follow-up cases. There are two children attending classes in lip-reading in the Norwood schools each week.

Tuberculin testing and X-Raying was in charge of the staff of the Norfolk County Hospital, and members of the Freshman and Junior classes were tested, also referred children to other grades. Next year, due to existing conditions, the testing will not be done in the schools. The X-Raying and examining of positive cases will be done in 1943.

Those handicapped by some orthopedic defect, receive attention at the Brockton City Hospital. One child has been referred to the Lakeville Sanatorium at Middleboro, Mass., and has been a patient there since July. She has had to date, three operations on her foot and leg in order to eliminate a heavy brace she has had to wear for years. This girl had infantile paralysis when she was two years old.

The Habit Clinic held in Norwood each week has helped with the guidance of several of our children and with the correction of Speech defects of several others.

During the year 1942, a Junior Course in American Red Cross Home Nursing was given to the senior girls.

The American Red Cross Motor Corps have been of valuable assistance to us in transporting children to these various clinics. We wish to take this opportunity of thanking them again for their services.

It was disappointing in September of this year to find that the correction of physical defects, we had hoped would be accomplished during the summer months, had not been attended to. We know that in some homes both parents are engaged in War Work, and though meaning to do their best, lose sight of the fact that by maintaining the health of their children, they are making the greatest contribution possible to their country. Therefore, we urge the parents to have any corrective work which they know should be done, taken care of without delay. This is the time when not only the people of America, but the people everywhere in the world, are depending upon young Americans.

ALICE L. DOWNING, R. N.,

School Nurse.

## CHANGES IN TEACHING FORCE, DECEMBER 31, 1941 TO DECEMBER 31, 1942

### Elections

Thomas Riley, Plimpton Jr. High School, from Bellingham, Mass.  
 Helen Lane, Stone School, from Dennis, Mass.  
 Gertrude Currier, Bird School, from No. Reading, Mass.  
 Phyllis Sherman, Plimpton Jr. High School, from Troy, New Hampshire  
 Loretta Manter, Stone School, from Goffstown, New Hampshire  
 Olive Wiehn, Plimpton School, from Lancaster, Mass.  
 Marjorie Sline, High School, from Regis College  
 Doris Burrell, Plimpton School, from Bridgewater Teachers College  
 Joanna Hazlett, Plimpton School, from Framingham Teachers College  
 Jean Roy, Bird School, from Bridgewater Teachers College  
 Rose Lans, Stone School, from Bridgewater Teachers College  
 Claire McCarthy, Stone School, from Seekonk, Mass.

### Withdrawals

James Gowing, to teach at Tabor Academy  
 Evelyn Jones, to be married  
 Ellwood Stoddard, to teach in Hingham, Mass.  
 Edith Rourke, ill health  
 John Tokaz, to enter Military Service  
 Robert Murphy, to teach in an Army Camp  
 Catherine Curran, to be married  
 Claire McCarthy, to become Principal in Seekonk, Mass.

**CHARLES FALES FUND SCHOLARSHIP COMMITTEE**

The Charles Fales Fund Scholarship Committee presents herein its twelfth annual report.

The following officers were elected at the December meeting. Richard H. Kannally, Chairman, (Mrs.) Mildred J. Howard, Sec'y.

The awarding of the Scholarships is based on the following excerpt from the will of Lewis F. Fales:

"In memory of my father, one hundred thousand dollars, to be known as the "Charles Fales Fund," to the Town of Walpole, Massachusetts, provided, unless a board of Commissioners of Trust Funds is then existing in said Town, said Town shall have created a board of Commissioners of Trust Funds in accordance with the laws of the Commonwealth of Massachusetts within two years from the time said Town is notified by my said Trustee so to do. The income from said funds to be used for scholarships to be paid as hereinafter provided to students, male or female, of the Schools of the Town who become students at any university, college or institute. Such scholarships are to be as nearly as practical each for the sum of five hundred dollars annually, and to be paid to each undergraduate in a university, college, or institute to whom it may be awarded by a Committee to be known as the "Charles Fales Fund Scholarship Committee," which Committee shall consist of the Superintendent of the Schools of Walpole for the time being, the Principal of the High School of Walpole for the time being, and if there be at any time more than one High School in Walpole the Principals of each High School for the time being, and the members for the time being of the School Committee or other body having charge of the Schools of Walpole. The awards of Scholarships shall be for one year and shall be made during the month of December of each and every year. Said Scholarship Committee shall keep a record of its doings and make a report to the Town at the end of each year. It shall so far as practical keep in touch with the progress and standing of each student to whom an award of a scholarship has been made. It is not my desire to hamper in any way the Committee in making their award, but there are these factors which I desire they should take into consideration,—Character, Scholarship, and Physical and Mental Vigor. I also desire that students wishing to extend their education along technical lines, shall, other things being equal be given preference."

The amount available for distribution this year was \$3,570.90. In accordance with the provisions of the will that scholarships are to be as nearly as practical each for the sum of five hundred dollars, seven scholarships were awarded.

The Committee, after a careful investigation of the candidates, awarded scholarships to the following:

John Gray, Yale University  
 John Neville, Yale University  
 Charles B. Arthur, Harvard Graduate School  
 Frederick Layton, St. Lawrence University  
 William Harrison, Dartmouth College  
 James Martin, Tufts Medical School  
 Thomas Jackson, Boston College

The Committee has kept in touch with the progress and standing of each student to whom an award of a scholarship was made last year.

RICHARD H. KANNALLY, Chairman  
 (MRS.) MILDRED J. HOWARD, Sec'y  
 (MRS.) AXEL H. ANDERSON  
 JAMES BUFFINGTON, JR.  
 DENIS F. O'BRIEN  
 SYDNEY D. CHAMBERLAIN  
 ARTHUR C. JONES, Supt.  
 HAROLD A. STROUT, Principal, H. S.  
 Charles Fales Fund Scholarship Committee.

### THE BOARD OF COMMISSIONERS OF TRUST FUNDS

The Board of Commissioners of Trust Funds has held meetings at various times during the year, as necessary, and submits the following report of income and disbursements from funds under its supervision for the year ending December 31, 1942:

	Income	Payments
Charles Fales Scholarship Fund .....	\$3,570.90	\$3,570.90*
Bird Scholarship Fund .....	.50	None
Charles S. Bird Library Fund .....	319.55	None
Lucy J. Gould Library Fund .....	7.60	None
Mary W. Hyde Library Fund .....	12.18	None
Walpole Public Library Fund .....	42.37	None
Lewis Drinking Fountain Fund .....	8.39	None
Frederick E. Clapp Memorial Fund .....	10.42	10.42
		3.58†
Cemetery Perpetual Care Funds .....	31.96	None
Walpole Emergency Medical Aid Fund .....	1,215.30	796.23

Payments have been made in accordance with the provisions made when the various funds were established.

\* Paid in January 1943.      † Income of Previous years.

### THE BOARD OF COMMISSIONERS OF TRUST FUNDS

J. A. VALENTINE, Chairman  
 B. D. ROGERS  
 A. H. ANDERSON, Secretary

**ANNUAL REPORT OF THE TRUSTEES**

The Trustees of the Library have held monthly meetings throughout the year for the regular transaction of business.

In April, Mrs. Lester Tarbell, the East Walpole Librarian, resigned and Miss Doris Quinn of South Walpole was appointed to take her place. Mrs. Wilson, our faithful and capable assistant, resigned in September.

We were very sorry to lose Mr. Robert Murphy from the Board of Trustees, as he was an interested and capable member. He was succeeded by Mr. Harold S. Lines who was appointed by Trustees and Selectmen in joint session.

The Library has contributed to the war effort by receiving, classifying and sending books to the Victory Book Campaign; by permitting subscribers to use the Library on Wednesday mornings; and by offering to the public the latest information on the War and War effort.

Again we wish to thank a cooperating public and a most efficient staff.

CHESTER H. ANDREWS, Chairman  
DOROTHY W. SPEAR, Secretary  
WAYLAND A. DuBOIS, Treasurer  
CAROLINE P. ROUNDY  
MAUD R. GRAVES  
HAROLD S. LINES

---

**LIBRARIAN**

Several projects were launched during the past year, including a revision of the Vertical File of current and ephemeral material and an Author File. A complete inventory of the Adult books at the Main Library was taken. As the last inventory was held in 1937, this was found to be a larger task than originally anticipated, so East Walpole and Juvenile books still remain to be checked.

Mrs. Lester Tarbell, the East Walpole Librarian, resigned in April. Her personality, integrity and friendliness made her a distinct asset, so that her absence is keenly felt by Staff and public alike. Miss Doris Quinn, our able, part-time assistant succeeded her.

Throughout the year the Library served as the local headquarters for the Victory Book Campaign. The Librarian handled every book, and with the aid of volunteers sorted the 2,965 books which figure does not include the 484 magazines and 108 books sent to the American Merchant Marine Library.

Two of our regular and dependable part-time workers resigned—Mrs. Wilson in September and Mrs. Farris in November.

We are fortunate to have, in the same capacity, Miss Olive Towle who is a Simmons Library School graduate.

For the first time Open House was held on a Sunday afternoon. This was November 15, the first day of Book Week. The "Favorite Book Parade" had many contestants, and the Campfire Girls and Cub Scouts exhibits were equally effective. Records, purchased principally for Story Hour, were played on the victrola which was presented last year by Mrs. Evans Spear. That this Open House was successful may be attested by the number of people who came—24 children and 69 adults, a total of 93.

I take pleasure in thanking the Trustees for their ever present understanding and grasp of Library problems, and the Staff for their enthusiastic and faithful service.

GERTRUDE HENRIKSON,  
Librarian.

NOTE: The Librarian and Trustees wish to express appreciation for flowers received from the following: East Walpole Garden Club, Mrs. Clifford Young, Miss Katherine Lewis, Mrs. Ralph Farris, Mrs. C. O. Littlefield, Mrs. W. T. Bruce, Mrs. R. K. Bullard, General W. M. Whitman, Mrs. Robert Wilson, Mrs. J. H. Peebles, Mrs. D. J. Boyden and Mrs. Allen Russell.

Thanks for gifts presented during the year are extended to: Charles Sumner Bird, Mrs. Robert Wilson, Charles Scribner's sons, Mrs. George Duley, Mrs. Charles Kemp, Mrs. Charles H. Sullivan, Mrs. Earl Bradley, Mrs. Clara L. June, Mr. Joseph Golubowski and Mr. Gage Olcott. Mr. John Goss kindly loaned us some of his paintings.

## WALPOLE COMMITTEE ON PUBLIC SAFETY

The Committee on Public Safety as constituted at the present time is shown on the organization chart on page eight.

Some changes have been made since the last town report was published, and organizations which were not completed at that time have since been completed.

Under the Protection Division there are 294 air raid wardens including chief, deputy chiefs, district and post wardens, all of whom have attended classes and lectures on wardens' duties, and nearly all of whom have had at least the standard Red Cross First Aid course.

There are approximately 45 auxiliary firemen in addition to the regular force who have been and are still being trained in fire fighting. There are 60 auxiliary policemen either trained or being trained in police duties, and who are available at all times during an emergency to augment the regular police force. Gas-protection and decontamination squads of 14 men have been organized and trained in identifying the various war gases and the steps to be taken to decontaminate and handle gas casualties. This group is in two sections; one for the decontamination of buildings and areas, and one for the decontamination of persons who have been gas casualties. Four rescue parties of five men each, drawn principally from the local garages where wreck wagons or other equipment with derricks are available, have been organized. First aid parties available for duty at all casualty stations have been organized. Evacuation squads have been organized, and dimout regulations are being enforced.

Under the Medical Division four casualty stations have been established. These casualty stations are staffed by a doctor, one charge nurse for each station and two reserve charge nurses, and from 4 to 8 duty nurses. Each station also has an ambulance nurse, and an ambulance which is manned by a Red Cross Motor Corps driver. All casualty stations are equipped with sufficient instruments, etc. to carry out sterile surgical procedure. The East Walpole casualty station, formerly located in the East Walpole Post Office, has been temporarily suspended due to the fact that the Post Office Department placed such restrictions on the use of the building and grounds that it would have been impossible for the station to function during an air raid. This station will be reestablished as soon as a suitable location is found.

Under the War Services Division, formerly the Women's Division, courses in home nursing, first aid, and canteen work have been held. In addition, organizational work in connection with the ration program is now going forward. The entire town is being organized under what will be known as the "Neighborhood Plan." The War Services Division has also been instrumental in furnishing volunteers for clerical and other work at the Defense Office when the volume has been more than the regular clerk could handle.

The committee takes this opportunity to extend its thanks to the people of the Town of Walpole for the cooperation which they have given in all phases of this work.

HOWARD S. HANNA,  
Chairman.

---

### TOWN PLANNING BOARD

The Town Planning Board as elected for the year 1942 was Charles S. Bird, Dr. Thomas M. Connell, John J. Fitzhenry, Willis D. McLean and William J. Sheehan.

The Board organized with William J. Sheehan, Chairman and Willis D. McLean, Secretary.

Meetings were held throughout the year at which Post War developments have been planned by the Board.

WILLIAM J. SHEEHAN, Chairman  
WILLIS D. McLEAN, Secretary  
JOHN J. FITZHENRY  
CHARLES S. BIRD  
DR. THOMAS M. CONNELL

Town Planning Board.

**WALPOLE VISITING NURSE ASSOCIATION**

Bedside nursing visits to medical, surgical and maternity patients .....	1798
Prenatal visits .....	40
Follow-up visits and transportation of patients needing examination and chest x-ray .....	32
Child welfare visits including infant and pre-school .....	435
Social service calls and interviews in behalf of patients .....	263
Home deliveries at which nursing assistance was given .....	13
Home operations at which nursing assistance was given .....	21
Hours spent at the Lewis Manufacturing Company to give first aid and to assist with the physical examinations of employees .....	114

In addition to the usual program of nursing as recorded above, the Visiting Nurse Association sponsored several clinics during the past year.

In May, the Well-Child Conference conducted by the Division of Child Hygiene, State Department of Public Health, was attended by seventy-one infant and pre-school children and their mothers.

A pre-school dental clinic, at which forty-six children received dental treatment, was held in June. Generous donations from the Lend-a-Hand Club and the Walpole Mothers' Club made this clinic possible.

With the proceeds from our Tuberculosis Seal Sale three children were given a six-weeks vacation at Prendergast Preventorium and one child has been sent to Prendergast to recuperate after a severe illness. Nutritional aid has also been given in special instances.

Through the fine cooperation of the Walpole Red Cross Motor Corps, patients have been transported to Norfolk County Hospital, to several Boston Hospitals, and to Prendergast Preventorium. Members of the Motor Corps gave assistance as hostesses during our Well-Child Conference and Dental Clinic.

We wish to thank all the individuals and organizations who have aided so generously in the work of the Walpole Visiting Nurse Association.

BEATRICE BARBOUR, R. N.

Supervisor, Walpole Visiting Nurse Ass'n.

#### NO TAX BILLS ARE SENT TO OWNERS OF DOGS

Section 137, Chapter 140 G. L.—The owner or keeper of a dog, which is three months old or older, shall annually on or before March 31st, cause it to be registered, numbered, described and licensed for one year from the first day of April following.

Section 138—The owner or keeper of a dog may at any time have it licensed until the first day of April following, and a person who becomes the owner or keeper of a dog which becomes three months old, after March 31st in any year shall, when it becomes three months old, cause it to be registered, numbered, described and licensed and collared as required by the preceding section.

The number of dog licenses issued from this office from March 6, 1942 to December 16, 1942 is as follows:

Male Dogs .....	499
Female Dogs .....	95
Female Dogs; spayed .....	166
Breeder's (Kennel) License .....	1
	<hr/> 761

### COLLECTOR OF TAXES

During the past year Tax collections have improved beyond expectations as indicated by the report of the Director of Accounts.

JAMES H. GINLEY,  
Collector of Taxes.

REPORT OF AN AUDIT OF THE ACCOUNTS OF  
THE TOWN OF WALPOLE

For the Fiscal Year Ending December 31, 1942

Made in Accordance with the Provisions of Chapter 44,  
General Laws

---

January 27, 1943

To the Board of Selectmen

Mr. Willis D. McLean, Chairman  
Walpole, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Walpole for the fiscal year ending December 31, 1942, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

THEODORE N. WADDELL,  
Director of Accounts.

---

Mr. Theodore N. Waddell  
Director of Accounts  
Department of Corporations and Taxation  
State House, Boston  
Sir:

As directed by you, I have made an audit of the books and accounts of the town of Walpole for the fiscal year ending December 31, 1942, the following report being submitted thereon:

The financial transactions, as recorded on the books of the several departments receiving or disbursing money for the town or committing bills for collection, were examined, checked, and verified by comparison with the books of the town accountant and the treasurer.

The books and accounts in the office of the town accountant were examined and checked. The receipts, as recorded on the ledger, were checked with the records of the several departments making payments to the treasurer and with the treasurer's books, while the recorded payments were checked with the treasury warrants issued by the selectmen and with the treasurer's cash book. The appropriations and transfers from the reserve fund, as recorded on the ledger, were checked with the town clerk's records of town meetings and with the authorizations of the finance committee.

The town accountant's ledger was analyzed, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town as of December 31, 1942.

The balance sheet indicates that the town is in excellent financial condition.

The books and accounts of the town treasurer were examined and checked in detail. The recorded receipts were analyzed and compared with the records in the departments collecting money for the town and with the other sources from which money was paid into the town treasury, while the payments were checked with the selectmen's warrants authorizing the disbursement of town funds. The cash balance on December 31, 1942, was proved by reconciliation of the bank balances with statements furnished by the banks of deposit and by actual count of the cash in the office.

The payments of maturing debt and interest were proved with the amounts falling due and with the cancelled securities on file.

The savings bank books and securities representing trust fund investments in the custody of the treasurer were examined and listed. The income was proved and the withdrawals were checked with the receipts as entered in the treasurer's cash book.

The records of tax titles held by the town were examined and checked. The amounts added to the tax title account were compared with the collector's records, the redemptions were checked with the receipts as recorded on the treasurer's cash book, and the tax titles on hand were listed and compared with the records in the Registry of Deeds.

The books and accounts of the tax collector were examined and checked. The property and motor vehicle excise taxes and assessments outstanding at the time of the previous examination and all subsequent commitments were audited and reconciled with the assessors' warrants. The payments to the treasurer were checked to the treasurer's cash book, the recorded abatements were compared with the assessors' records of abatements granted, the transfer to the tax title account were checked, and the outstanding accounts were listed and reconciled with the respective ledger accounts.

The commitments of water charges were examined and checked. The recorded payments to the treasurer were compared with the treasurer's cash book, the abatements were verified, and the outstanding accounts were listed and reconciled with the accountant's ledger.

Verification notices were sent to many persons whose names appeared on the books as owing money to the town for taxes, assessments, and water accounts, and from the replies received thereto it appears that the accounts, as listed, are correct.

The town clerk's records of sporting, dog, and miscellaneous town licenses and fees were examined. The payments to the State were verified by comparison with the receipts on file, the payments to the

town treasurer were compared with the treasurer's cash book, and the cash on hand was verified.

The surety bonds furnished by the several officials required to file such surety were examined and found to be in proper form.

The records of receipts from selectmen's licenses, of the sealer of weights and measures, the dental clinic, the school and library departments, and of all other departments in which money was collected for the town were examined, checked, and reconciled with the treasurer's and the accountant's books.

In addition to the balance sheet referred to, there are appended to this report tables showing a reconciliation of the treasurer's cash, together with summaries of the tax, assessment, tax title, departmental, and water accounts, as well as tables showing the trust fund transactions.

For the cooperation received from the officials of the town, while engaged in making the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

HERMAN B. DINE,

Assistant Director of Accounts.

**ABSTRACTS OF RECORDS OF TOWN MEETINGS****TOWN OF WALPOLE  
COMMONWEALTH OF MASSACHUSETTS  
ANNUAL TOWN MEETING**

Monday, January 19, 1942 with Adjourned Meetings on Monday, February 9, 1942, February 16, 1942 and March 2, 1942.

The Warrant was issued by the Selectmen under date of January 2, 1942 and was signed by David W. Kelley, Albert W. Smith, Charles P. Roundy and John J. White.

The Warrant called for the election by ballot of five Selectmen, one Town Treasurer, one Collector of Taxes, one Moderator, all for a term of one year; one member of the Board of Assessors, two members of the School Committee, one Commissioner of Trust Funds, all for a term of three years and one member of the Town Planning Board for five years.

The proper service of the Warrant was attested by Levi S. Thompson, Constable of Walpole. All the requirements of the Statutes and Town By-Laws relating to Elections and Town Meetings were compiled with.

Norfolk, ss:

Pursuant to the forgoing warrant, at a legal meeting the Inhabitants of Precinct 1 of the Town of Walpole, qualified to vote in elections, met in the Blackburn Memorial Building, in said Walpole on Monday, the nineteenth day of January, 1942 at 7:30 o'clock in the forenoon and the Inhabitants of Precinct 2, of said Town of Walpole, qualified to vote in elections met in the East Walpole Fire Station in East Walpole, and the Inhabitants of Precinct 3, of said Town of Walpole, qualified to vote in elections, met in the Community House in South Walpole, in said Town, on the same date and at the same hour to bring in their votes for the officers as called for in said warrant.

The meeting in Precinct 1 was called to order by Chester B. Gove, Warden of said Precinct, duly qualified for office, who acted as Presiding Officer. He was assisted by the following election officers, all duly qualified for office: George H. Ryan, James D. Walsh, Frank N. Spear, Frank F. Kivlin, Hawkesworth M. Watson, Peter Becker, Peter Cassidy, Willis Kelley, Walter Rockwood and George W. Hubbard.

The Meeting in Precinct 2 was called to order by William F. Geary, Warden of said Precinct, duly qualified for office, who acted as Presiding Officer. He was assisted by the following election officers, all duly qualified for office: John F. King, Richard G. Sprague, Arthur W. Mellin, Frederick J. Kinsman, George Murray, Albert Eckert, and John P. Bailey.

The meeting in Precinct 3 was called to order by Reuben J. Whitcomb, Warden of said Precinct, duly qualified for office, who acted as Presiding Officer. He was assisted by the following election officers, all duly qualified for office: Richard J. Quinn, Felix McMahon and Harry L. Guild.

The meetings in each Precinct were conducted in accordance with the statutes. The ballot boxes in each Precinct were inspected and found to be empty and the registers set at zero (0) and the keys of the ballot box in each Precinct were placed in the hands of the police officer of the day in each Precinct.

After the close of the polls at 8 P. M., when all votes had been canvassed and the results determined in accordance with the provisions of the law, declaration thereof was made in open Town Meeting in the Town Clerk's office and was as follows:

The total number of votes cast in Precinct 1 was .....	726
The total number of votes cast in Precinct 2 was .....	405
The total number of votes cast in Precinct 3 was .....	164

The total number of votes cast in the three Precincts was .....1295

The result of the vote was as follows:

**Selectman** (for one year) 5 to be elected:

	Prec. 1	Prec. 2	Prec. 3	Total
David W. Kelley .....	427	218	70	715
Willis D. McLean .....	514	276	94	884
Charles P. Roundy .....	409	204	75	688
Clinton F. Shufelt .....	502	251	151	904
Albert W. Smith .....	399	278	87	764
John J. White .....	413	285	67	765
Blanks .....	966	513	276	1755

**Town Treasurer** (for one year) 1 to be elected:

Herbert W. Lewis .....	592	309	138	1039
Blanks .....	134	96	26	256

**Collector of Taxes** (for one year) 1 to be elected:

James H. Ginley .....	615	342	139	1096
Blanks .....	111	63	25	199

**Assessor of Taxes** (for three years) 1 to be elected:

Wayland A. DuBois .....	514	265	115	894
Blanks .....	382	255	97	734

David W. Kelley, Willis D. McLean, Clinton F. Shufelt, Albert W. Smith and John J. White were declared elected Selectmen for a term of one year and were sworn into office by Katherine J. Higgins, Town Clerk.

Herbert W. Lewis was declared elected Town Treasurer for a term of one year and was sworn into office by Katherine J. Higgins, Town Clerk.

James H. Ginley was declared elected Collector of Taxes for a term of one year and was sworn into office by Katherine J. Higgins, Town Clerk.

Thomas B. Ahearn was declared elected an Assessor of Taxes for a term of three years and was sworn into office by Katherine J. Higgins, Town Clerk.

Henry W. Caldwell was declared elected Moderator for a term of one year and was sworn into office by Katherine J. Higgins, Town Clerk.

Richard H. Kannally and Denis F. O'Brien were declared elected members of the School Committee for a term of three years and were both sworn into office by Katherine J. Higgins, Town Clerk.

Benjamin D. Rogers was declared elected a Commissioner of Trust Funds for a term of three years and was sworn into office by Florence McClurkin, Notary Public at Sarasota, Florida on February 3, 1942.

Thomas M. Connell was declared elected a member of the Town Planning Board for a term of five years and was sworn into office by Katherine J. Higgins, Town Clerk.

Chester H. Andrews and Wayland A. DuBois were declared elected Trustees of the Public Library for a term of three years and both were sworn into office by Katherine J. Higgins, Town Clerk.

In accordance with the foregoing warrant, the meeting was adjourned to Monday, February 9, 1942 at 7:30 P. M. in the High School Auditorium, Walpole, Mass.

A true copy. Attest:

**KATHERINE J. HIGGINS,**

Town Clerk of Walpole

**ADJOURNED ANNUAL TOWN MEETING  
TOWN OF WALPOLE  
COMMONWEALTH OF MASSACHUSETTS**

**February 9, 1942**

**Norfolk, ss:**

Pursuant to the foregoing warrant, the adjournment of the Annual Town Meeting of the Inhabitants of the Town of Walpole, qualified to vote in elections and Town affairs, was held in the Auditorium of the High School Building, in said Walpole on Monday, the ninth day of February, 1942 at 7:30 P. M.

The meeting was called to order at 7:30 P. M. by Henry W. Caldwell, Moderator, a quorum being present.

**On motion made and seconded, it was**

**Voted:** to waive the reading of the warrant.

**Article 1. To elect all Town Officers not elected by ballot.**

**On motion made by Mr. Reynolds, Chairman of the Appropriation Committee and seconded (who stated that the Appropriation Committee was not ready to present their report at this meeting), it was**

**Voted:** that articles of the warrant that called for the appropriation of money be not considered at this meeting.

Charles Littlefield and William B. Hale were appointed Tellers by the Moderator for this meeting and any adjournments thereof and both were sworn into office by the Moderator.

**On motion made and seconded, it was**

**Voted:** that Reuben J. Whitcomb, David G. Fisher, William E. Ingram, Walter Meyer and Edward F. Jones be elected Surveyors of Lumber and Measurers of Wood and Bark.

**Article 2. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen to borrow money from time to time, in anticipation of the revenue of the financial year beginning January 1, 1942, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws, (Ter. Ed.)**

**On motion made and seconded, it was**

**Voted:** that the Town shall and hereby does authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1942, to an amount not exceeding in the aggregate Four Hundred Fifty Thousand Dollars (\$450,000.00) and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be

given for a period of less than one year, in accordance with Section 17, Chapter 44, General Laws, (Ter. Ed.) any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1942.

**Article 3.** To see if the Town will vote to petition the Director of Accounts, Department of Corporations and Taxation, Commonwealth of Massachusetts, for an audit of the Town's Accounts, in accordance with Section 35, Chapter 44, of the General Laws. (Ter. Ed.)

**On motion made and seconded, it was**

**Voted:** that the Town shall and hereby does petition the Director of Accounts, Department of Corporations and Taxation, Commonwealth of Massachusetts, for an audit of the Town's Accounts, in accordance with the provisions of Section 35, Chapter 44, General Laws.

**Article 4.** To see if the Town will vote to authorize the Collector, in collecting taxes to use all means which the Treasurer may use when appointed Collector.

**On motion made and seconded, it was**

**Voted:** that the Town shall and hereby does authorize the Collector, in collecting taxes, to use all means which the Treasurer may use when appointed Collector.

**Article 5.** To see if the Town will vote to authorize the Collector, in collecting water rates and service bills to follow the rules and regulations of the Water Department.

**On motion made and seconded, it was**

**Voted:** that the Town shall and hereby does authorize the Collector, in collecting water rates and service bills, to follow the rules and regulations of the Water Department.

**Article 6.** To see if the Town will vote to instruct the Collector, in collecting sewer assessments, to follow the rules and regulations of the Sewer Department.

**On motion made and seconded, it was**

**Voted:** that the Town shall and hereby does instruct the Collector in collecting sewer assessments to follow the rules and regulations of the Sewer Department.

**Article 7.** To hear and act on the report of any Committee and to choose any Committee the Town may think proper and transact any other business that may legally come before the Town. Mr. Reynolds, Chairman of the Appropriation Committee, stated that in accordance with the Town Charter, he understood that this meeting would be adjourned for one week (to Feb.

16, 1942). As February 23rd, a week following, was a holiday, he suggested that the meeting on February 16th be adjourned to Monday, March 2, 1942 and this would give the Appropriation Committee ample time to prepare their report for the voters.

**Article 8.** To see if the Town will authorize the Selectmen to sell any and all property now owned by the Town, or to be acquired as a result of foreclosing rights of redemption in said property, or do or act anything in relation thereto.

On motion made and seconded, it was

**Voted:** that the Town shall and hereby does authorize the Selectmen to sell any and all property now owned by the Town, or to be acquired, as a result of foreclosing rights of redemption in said property.

**Article 21.** To see if the Town will vote to waive certain provisions of the Rules and Regulations of the Board of Survey relative to the acceptance of Stone Street Extension from Washington Street to Massachusetts Avenue, or do or act anything in relation thereto.

On motion made and seconded, it was

**Voted:** that the Town shall and hereby does waive certain provisions of the Rules and Regulations of the Board of Survey relative to the acceptance of Stone Street Extension.

**Article 22.** To see if the Town will vote to accept a report of the Board of Selectmen acting as the Board of Survey relative to the acceptance of Stone Street Extension from Washington Street to Massachusetts Avenue, as per plan and profile by Kenneth E. McIntyre, C. E. Dated January 2, 1942, or do or act anything in relation thereto.

On motion made and seconded, it was

**Voted:** that the Town shall and hereby does accept Stone Street Extension from Washington Street to Massachusetts Ave., as shown on a plan and profile by Kenneth E. McIntyre, C. E. dated January 2, 1942.

**Article 23.** To see if the Town will vote to accept a report of the Board of Selectmen acting as the Board of Survey relative to the acceptance of Clark Avenue from the end of the present accepted road southwesterly approximately 315 feet, as shown on plan entitled "Plan and Profile of Extension of Clark Avenue" dated December 30, 1941 by P. H. Waltonen, Engineer, or do or act anything in relation thereto.

On motion made and seconded, it was

**Voted:** that the Town shall and hereby does accept Clark Avenue from the end of the present accepted road southwesterly

approximately 315 feet, as shown on plan and profile by P. H. Waltonen, C. E., dated December 30, 1941.

**Article 24.** To see if the Town will vote to accept a report of the Board of Selectmen acting as the Board of Survey relative to the acceptance of Cascade Terrace from Common Street southwesterly approximately 975 feet, as per plan and profile by Kenneth E. McIntyre, C. E. dated September 18, 1941 or do or act anything in relation thereto.

**On motion made and seconded, it was**

**Voted:** that the Town shall and hereby does accept Cascade Terrace from Common Street southwesterly approximately 975 feet, as shown on plan and profile by Kenneth E. McIntyre, C. E. dated September 18, 1941.

**Article 46.** To see if the Town will vote to name the Traffic Circle at the Intersection of Union Street and Pleasant Street, East Walpole "Henry Achorn Square" or do or act anything in relation thereto. (Petition of Thomas H. Crowley Post No. 104 American Legion).

**On motion made and seconded, it was**

**Voted:** that the Town shall and hereby does name the Traffic Circle at the intersection of Union Street and Pleasant Street, East Walpole, "Henry Achorn Square".

**Article 47.** To see if the Town will vote to name the Traffic Circle at the Intersection of Washington Street and East Street, East Walpole "Joseph Matanis Square" or do or act anything in relation thereto. (Petition of the Thomas H. Crowley Post No. 104 American Legion).

**On motion made and seconded, it was**

**Voted:** that the Town shall and hereby does name the Traffic Circle at the intersection of Washington Street and East Street, East Walpole, "Joseph Matanis Square."

**Article 48.** To see if the Town will vote to change from single residence zone to Mercantile Zone the following described premises of Adolph Tokaz: Beginning at the southerly corner of the parcel on the northwest sideline of the Boston-Providence Turnpike, Route 1, and the land of Mary Fallon; thence northerly along the land of said Mary D. Fallon to a point 300 feet from said northwest sideline of the Boston-Providence Turnpike; thence northeast on a line parallel and 300 feet distant from said northwest sideline of the Boston-Providence Turnpike and along this land of Tokaz to a point at the land of Louis E. Vose; thence northeast along the land of said Louis E. Vose to a point at the northwest sideline of said Boston-Providence Turnpike; thence

southerly on said northwest sideline of the Boston-Providence Turnpike. This area is a portion of parcel D 901 A shown on the Assessor's plan, Sheet D-9 or do or act anything in relation thereto. (Petition of Adolph Tokaz).

Under this article Mr. McLean of the Town Planning Board reported that no further action had been taken by the Board since last year in relation to change of zone asked for under this article.

**On motion made and seconded, it was**

**Voted:** to take up article 43.

**Article 43.** To see if the Town will vote to accept Chapter 351 of the Acts of 1930 so far as the same pertains to the purchase of uniforms for the Firemen of the Town of Walpole, or do or act anything in relation thereto. (Petition of Aaron H. Hill and others).

**On motion made by the Chief of the Fire Dept., Chester L. Donnell and seconded, it was**

**Voted:** that the Town shall and does accept Chapter 351 of the Acts of 1930 in so far as the same pertains to the purchase of uniforms for the Firemen of the Town of Walpole.

**On motion made and seconded, it was**

**Voted:** that this meeting be adjourned until Monday, February 16, 1942 at 7:30 P. M. in this hall.

TOWN OF WALPOLE  
COMMONWEALTH OF MASSACHUSETTS**

**March 2, 1942**

**Norfolk, ss:**

Pursuant to the Adjourned Town Meeting held on February 16, 1942, the Adjourned Annual Town Meeting of the Inhabitants of the Town of Walpole, qualified to vote in elections and Town affairs, was held in the Auditorium of the High School Building, in said Walpole on Monday, the second day of March, 1942 at 7:30 P. M.

The meeting was called to order at 7:30 P. M. by Henry W. Caldwell, Moderator, a quorum being present.

**On motion made and seconded, it was**

**Voted:** to take up Article 7.

Under this article Mr. Frank Reynolds, Chairman of the Appropriation Committee, made an explanation of the budget which his Committee was presenting at this meeting.

**Article 7. To hear and act on the report of any Committee and to choose any Committee the Town may think proper and transact any other business that may legally come before the Town.**

**On motion made and seconded, it was**

**Voted:** that the recommendations of the Appropriation Committee as shown in their 1942 report to the Town be considered as motions at this meeting and any adjournment thereof.

**On motion made and seconded, it was**

**Voted:** to take up Article 41.

**Article 41. To see if the Town will vote to raise and appropriate a sum of money for Civilian Defense in accordance with Chapter 487 of the Acts of 1941, or do or act anything in relation thereto.**

**On motion made and seconded, it was**

**Voted:** that the Town raise and appropriate the following sums of money for Civilian Defense in accordance with Chapter 487 of the Acts of 1941:

Committee on Public Safety: Salaries .....	\$1,404.00	
Supplementary Salaries .....	141.00	
		<hr/> \$1,545.00

	<hr/>
	9,977.00
Expenses .....	20,300.00
Interest and Debt .....	6,462.50
Insurance .....	404.53
Salary of Tax Collector and Clerk .....	330.00
	<hr/>
	\$45,959.83

**Article 19.** To see if the Town will vote to appropriate from the receipts of the Sewer Department for administrative expenses, maintenance, sewer connection, retirement of any or all of its bonds, notes, and interest payable in 1942, a sum of money suffi-

cient therefor, in accordance with Chapter 120 of the Acts of 1930, or do or act anything in relation thereto.

**On motion made and seconded, it was**

**Voted:** that the Town raise and appropriate to Sewer Department for administration expense, maintenance, sewer connection and debt payable in 1942 the sum of \$9,120.00 and take the same from the receipts of the Sewer Department and/or the sewer assessment and sewer connection accounts, divided as follows:

Engineering .....	\$800.00
Maintenance .....	3,320.00
Interest and Debt .....	5,000.00
	<hr/>
	\$9,120.00

**Article 20.** To see if the Town will authorize the Selectmen to make a minimum charge of \$1.00 for water for Francis William Park, a public park in East Walpole, during the year 1941, raise and appropriate a sum of money to pay the difference between said minimum charge of \$1.00 and the bill rendered by the Water Department for the year 1941 to Francis William Park, or do or act anything in relation thereto.

**On motion made and seconded, it was**

**Voted:** that the Town instruct the Selectmen to make a minimum charge of \$1.00 for the water used at Francis William Park, East Walpole, during the year 1941 and raise and appropriate the sum of \$904.88 to pay the difference between said minimum charge of \$1.00 and bill rendered by the Water Department for the year 1941 to the Frances William Park.

**Article 27.** To see if the Town will vote to raise and appropriate a sum of money to rebuild South Street from the entrance at Terrace Hill Cemetery on Washington Street, South Walpole to Pine Street or any portion thereof, or do or act anything in relation thereto. (Petition of Chesley J. Kerr and others.)

(Rebuilding South St., So. Walpole). **On motion made and seconded, it was Voted:** that this Article be indefinitely postponed.

**Article 28.** To see if the Town will vote to raise and appropriate a sum of money to rebuild Clark Avenue from the end of the present accepted way to the Neponset River, or any portion thereof, or do or act anything in relation thereto. (Petition of Finley J. Campbell and others.)

(Rebuilding Clark Avenue). **On motion made and seconded, it was Voted:** that this Article be indefinitely postponed.

**Article 29.** To see if the Town will vote to raise and appropriate a sum of money for the improvement of Coney Street from

Route 1, to Wolcott Avenue and Pleasant Street, or any portion thereof, said money to be used in conjunction with any money which may be allotted by the State or County or both, for this purpose, or do or act anything in relation thereto.

(Improvement of Coney Street). **On motion made and seconded, it was Voted:** that this Article be indefinitely postponed.

**Article 30.** To see if the Town will vote to raise and appropriate a sum of money for the improvement of High Plain Street from Route 1 to the Sharon line, or any portion thereof, said money to be used in conjunction with any money which may be allotted by the State or County or both, for this purpose, or do or act anything in relation thereto.

(Improvement of High Plain Street). **On motion made and seconded, it was Voted:** that this Article be indefinitely postponed.

**Article 31.** To see if the Town will vote to raise and appropriate a sum of money to construct a culvert at Station 11-70 on Diamond Street as accepted by the Town September 26, 1938, or do or act anything in relation thereto.

(Culvert on Diamond Street). **On motion made and seconded, it was Voted:** that this Article be indefinitely postponed.

**Article 32.** To see if the Town will vote to purchase a 1½ ton truck with permission to trade a present 1937 Chevrolet truck in exchange and raise and appropriate or transfer a sum of money therefor, or do or act anything in relation thereto.

(Purchase of 1½ Ton Truck). **On motion made and seconded, it was Voted:** that this Article be indefinitely postponed.

**Article 33.** To see if the Town will vote to purchase a five ton truck with permission to trade a present 1937 White Truck in exchange and raise and appropriate or transfer a sum of money therefor, or do or act anything in relation thereto.

(Purchase of a 5 Ton Truck). **On motion made and seconded, it was Voted:** that this Article be indefinitely postponed.

**Article 34.** To see if the Town will vote to rebuild Stone Street from School Street to Ellis Street, or any portion thereof, raise and appropriate money therefor, or do or act anything in relation thereto.

(Rebuild Stone Street from School St. to Ellis St.) **On motion made and seconded, it was Voted:** that this Article be indefinitely postponed.

**Article 35.** To see if the Town will vote to raise and appropriate a sum of money for the development of Memorial Park, or do or act anything in relation thereto.

(Development of Memorial Park). **On motion made and seconded, it was Voted:** that this Article be indefinitely postponed.

**Article 36.** To see if the Town will vote to raise and appropriate a sum of money for the maintenance of Chapter 90 roads in Walpole, said money to be used in conjunction with any money which may be allotted by the State or County or both, for this purpose, or do or act anything in relation thereto.

**On motion made and seconded, it was**

**Voted:** that the Town raise and appropriate the sum of \$1,500 for the maintenance of Chapter 90 Roads in Walpole, said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose.

**Article 37.** To see if the Town will vote to raise and appropriate a sum of money for Land Damages on South Street, as ordered by the Board of Selectmen, acting as the Board of Survey, or do or act anything in relation thereto.

**On motion made and seconded, it was**

**Voted:** that the Town raise and appropriate the sum of \$1,000 for land damages on South Street, as ordered by the Board of Selectmen, acting as the Board of Survey.

**Article 38.** To see if the Town will vote to raise and appropriate a sum of money for Band Concerts during 1942, or do or act anything in relation thereto.

(Band Concerts during 1942). **On motion made and seconded, it was Voted:** that this Article be indefinitely postponed.

**Article 39.** To see if the Town will vote to build a sidewalk on Washington Street from Pine Street to the Boyden School, or do or act anything in relation thereto. (Petition of Marion Cole and others.)

(Sidewalk on Washington St. - Pine St. to Boyden School). **On motion made and seconded, it was Voted:** that this Article be indefinitely postponed.

**On motion made and seconded, it was Voted:** to take up Article 7.

**Article 7.** To hear and act on the report of any Committee and to choose any Committee the Town may think proper and transact any other business that may legally come before the Town.

Under this Article, Mr. McLean, Chairman of the Selectmen, explained the reason for the insertion of Article 40 in the warrant for the Annual Town Meeting. Mr. McLean explained that the matter of connecting the Walpole Water System with the Pond-

ville Hospital Water System in case of emergency was taken up with the Board of Selectmen by the State authorities who asked that the Article be inserted.

**Article 40.** To see if the Town will authorize the Selectmen in accordance with the provisions of Chapter 40, Section 40 of the General Laws to connect the Walpole Water System with the Pondville Hospital Water System in case of emergency, or do or act anything in relation thereto.

(Connection of Walpole Water System to the Pondville Hospital Water System). **On motion made and seconded, it was Voted:** that this Article be indefinitely postponed.

**Article 42.** To see if the Town will vote to reimburse John L. Piattoni for the cost of the installation of a six inch water main in Cascade Terrace, raise and appropriate or transfer a sum of money therefor, or do or act anything in relation thereto.

**On motion made and seconded, it was Voted:** that the Town transfer the sum of \$1,420.00 from the Revenue of Water Department and/or Water Department Surplus for the cost of the installation of a six inch water main in Cascade Terrace with the 6% guarantee.

**Article 44.** To see if the Town will vote to raise and appropriate or transfer a sum of money to purchase uniforms for the Walpole Fire Department, or do or act anything in relation thereto. (Petition of Aaron H. Hill and others.)

(Uniforms for Walpole Fire Dept.). **On motion made and seconded, it was Voted:** that this Article be indefinitely postponed.

**Article 45.** To see if the Town will vote to raise and appropriate or transfer a sum of money to build a cement concrete sidewalk on the southerly side of East Street from Short Street southwesterly 600 feet, or do or act anything in relation thereto.

(Sidewalk—East Street from Short Street s.w. 600 feet). **On motion made and seconded, it was Voted:** that this Article be indefinitely postponed.

**Article 48.** To see if the Town will vote to change from single residence zone to Mercantile Zone the following described premises of Adolph Tokaz: Beginning at the southerly corner of the parcel on the northwest sideline of the Boston-Providence Turnpike, Route 1, and the land of Mary Fallon; thence northerly along the land of said Mary D. Fallon to a point 300 feet from said northwest sideline of the Boston-Providence Turnpike; thence northeast on a line parallel and 300 feet distant from said northwest sideline of the Boston-Providence Turnpike and along this land of Tokaz to a point at the land of Louis E. Vose; thence

northeast along the land of said Louis E. Vose to a point at the northwest sideline of said Boston-Providence Turnpike; thence southerly on said northwest sideline of the Boston-Providence Turnpike. This area is a portion of parcel D 901 A shown on the Assessor's Plan, Sheet D-9 or do or act anything in relation thereto. (Petition of Adolph Tokaz).

(Change of Zone from single residence to mercantile of premises of Adolph Tokaz on Boston-Providence Turnpike—Route 1.) Mr. McLean of the Town Planning Board reported that the Planning Board had held a hearing on this change of zone and that the Town Planning Board favored the change of zone. Mr. Fitzhenry, the minority member of the Town Planning Board, objected to the Town granting this change of zone as he understood that this change of zone was being obtained in order that the owner of the premises could make a sale of the land in question and, if the zoning was changed, Mr. Fitzhenry stated the Town could not tell what the land might be sold for.

(As Mr. Littlefield, a Teller, had left the meeting, Mr. Walter Meyer was appointed a Teller and sworn in by the Moderator). The question was then put to a rising vote and it was voted:

Affirmative	None
Negative	32

The Moderator declared that it was not a vote.

**Article 49.** To see if the Town will vote to raise and appropriate a sum of money to purchase a lot in Rural Cemetery for Veteran's Graves, to be used in accordance with the provisions of Chapter 115 of the General Laws, or do or act anything in relation thereto.

**On motion made and seconded, it was**

**Voted:** that the Town raise and appropriate the sum of \$100.00 to purchase a lot in Rural Cemetery for Veterans' Graves, to be used in accordance with the provisions of Chapter 115 of the General Laws.

Town Clerk of Walpole

**SPECIAL TOWN ELECTION****August 31, 1942****COMMONWEALTH OF MASSACHUSETTS  
TOWN OF WALPOLE****Norfolk, ss:**

The Warrant was issued by the Selectmen under date of July 17, 1942 and was signed by Willis D. McLean, Albert W. Smith, John J. White and Clinton Shufelt, Selectmen of Walpole. The proper service of the Warrant was attested by Levi S. Thompson, Constable of Walpole.

All the requirements of the statutes and By-Laws relating to Elections were complied with.

**Norfolk, ss:**

Pursuant to the foregoing Warrant, at a legal meeting the inhabitants of Precinct 1 of the Town of Walpole, qualified to vote in elections, met in the Blackburn Memorial Building, in said Walpole on Monday, the thirty-first day of August 1942 at 12 noon and the Inhabitants of Precinct 2, of said Town of Walpole, qualified to vote in elections, met in the East Walpole Fire Station in East Walpole, and the Inhabitants of Precinct 3, of said Town of Walpole, qualified to vote in elections, met in the Community House, in South Walpole, in said Town, on the same date and at the same hour to bring in their votes for the officers as called for in said Warrant.

The meeting in Precinct 1 was called to order by Chester B. Gove, Warden of said Precinct, duly qualified for office, who acted as Presiding Officer. He was assisted by the following election officers, all duly qualified for office: George H. Ryan, James D. Walsh, Frank N. Spear, Frank F. Kivlin, Hawkesworth M. Watson, Peter Becker, Peter Cassidy, Harold L. Goddard, Walter Rockwood, George W. Hubbard and Jeremiah T. Delaney.

The meeting in Precinct 2 was called to order by William F. Geary, Warden of said Precinct, duly qualified for office, who acted as Presiding Officer. He was assisted by the following election officers, all duly qualified for office: Frederick J. Kinsman, Albert Eckert, George Murray, John King, Arthur F. Platt.

The meeting in Precinct 3 was called to order by Reuben J. Whitcomb, Warden of said Precinct, duly qualified for office, who acted as Presiding Officer: He was assisted by the following election officers, duly qualified for office: Harry L. Guild and Richard J. Quinn.

The meetings in each Precinct were conducted in accordance with the statutes. The ballot boxes in each Precinct were in-

spected and found to be empty and the registers set at zero (0) and the keys of the ballot box in each Precinct were placed in the hands of the Police Officer of the day in each Precinct.

After the close of the Polls at 8 P. M., when all votes had been canvassed and the results determined in accordance with the provisions of the law, declaration thereof was made in open Town Meeting in the Town Clerk's Office and was as follows:

The total number of votes cast in Precinct 1 was ..... 827

The total number of votes cast in Precinct 2 was ..... 329

The total number of votes cast in Precinct 3 was ..... 110

The total number of votes cast in the three Precincts was ..... 1266

The result of the vote was as follows:

**Selectman** (for unexpired term) 1 to be elected:

	Prec. 1	Prec. 2	Prec. 3	Total
Daniel A. Donnelly, 56 Front St. ...	292	88	17	397
James B. Maguire, 824 Wash. St. ...	112	114	2	228
George Sherrerd, Jr., 611 East St. ...	414	125	91	630
Blanks .....	9	2		11

George Sherrerd, Jr., was declared elected Selectman for the unexpired term and was sworn into office by Katherine J. Higgins, Town Clerk.

**STATE ELECTION**

**November 3, 1942**

**TOWN OF WALPOLE**

**COMMONWEALTH OF MASSACHUSETTS**

Norfolk, ss:

The Warrant was issued by the Selectmen under date of October 23, 1942 and was signed by Willis D. McLean, Albert W. Smith, John J. White, Clinton F. Shufelt and George Sherrerd, Jr. The proper service of the Warrant was attested by Levi S. Thompson, Constable of Walpole.

All the requirements of the Statutes and By-Laws relating to Elections were complied with.

Norfolk, ss:

Pursuant to the foregoing Warrant, the inhabitants of the Town of Walpole, in Precinct One, qualified to vote in elections, met in the Blackburn Memorial Building, in said Walpole, at seven o'clock in the forenoon, on Tuesday, the Third day of November, 1942 and the inhabitants of Precinct Two, of said Town of Walpole, qualified to vote in elections, met in the Fire Station in East Walpole, on the same date and hour and the inhabitants of Precinct Three, of said Town of Walpole, qualified to vote in elections, met in the Community House, in South Walpole, on the same date and hour, to bring in their votes for the purposes mentioned in said Warrant.

The meeting in Precinct One was in charge of Chester B. Gove, Warden, who was assisted by the following election officers: George Ryan, James D. Walsh, Frank N. Spear, Frank F. Kivlin, H. M. Watson, Peter Becker, Winslow Warren, George Hubbard, Peter Cassidy, Walter Rockwood, Jeremiah Delaney, Daniel Giandomenico, Chester E. Keenan, Walter Angus and Robert Turner.

The meeting in Precinct Two was in charge of William F. Geary, Warden, who was assisted by the following election officers: Frederick J. Kinsman, Albert Eckert, George Murray, Albert N. Kimball, John King, A. W. Mellen and Howard White.

The meeting in Precinct Three was in charge of Reuben J. Whitcomb, Warden, who was assisted by the following election officers: Harry L. Guild, Richard J. Quinn and Joseph Brooks.

The meetings in each Precinct were conducted in accordance with the law and after the close of the polls at 8:00 o'clock P. M. and after all votes had been canvassed and the results determined in accordance with the statute, declaration thereof was made at the Town Clerk's Office and was as follows:

The total number of votes cast in Precinct 1 was .....1752  
 The total number of votes cast in Precinct 2 was ..... 803  
 The total number of votes cast in Precinct 3 was ..... 196

The total number of votes cast in all precincts was .....2748

---

Total number of Ballots cast for Representative in District, Six thousand seven hundred ninety-one .....6791

We do determine that it appears that Rudolph F. King of Millis is elected Representative for the Eighth Norfolk District:

Attest: **Leo A. Gosselin**, Town Clerk of Bellingham

Attest: **Charles W. Keirstead**, Town Clerk of Medfield

Attest: **B. Isabelle McGourty**, Town Clerk of Medway

Attest: **Lloyd C. King**, Town Clerk of Millis

Attest: **Katherine J. Higgins**, Town Clerk of Walpole

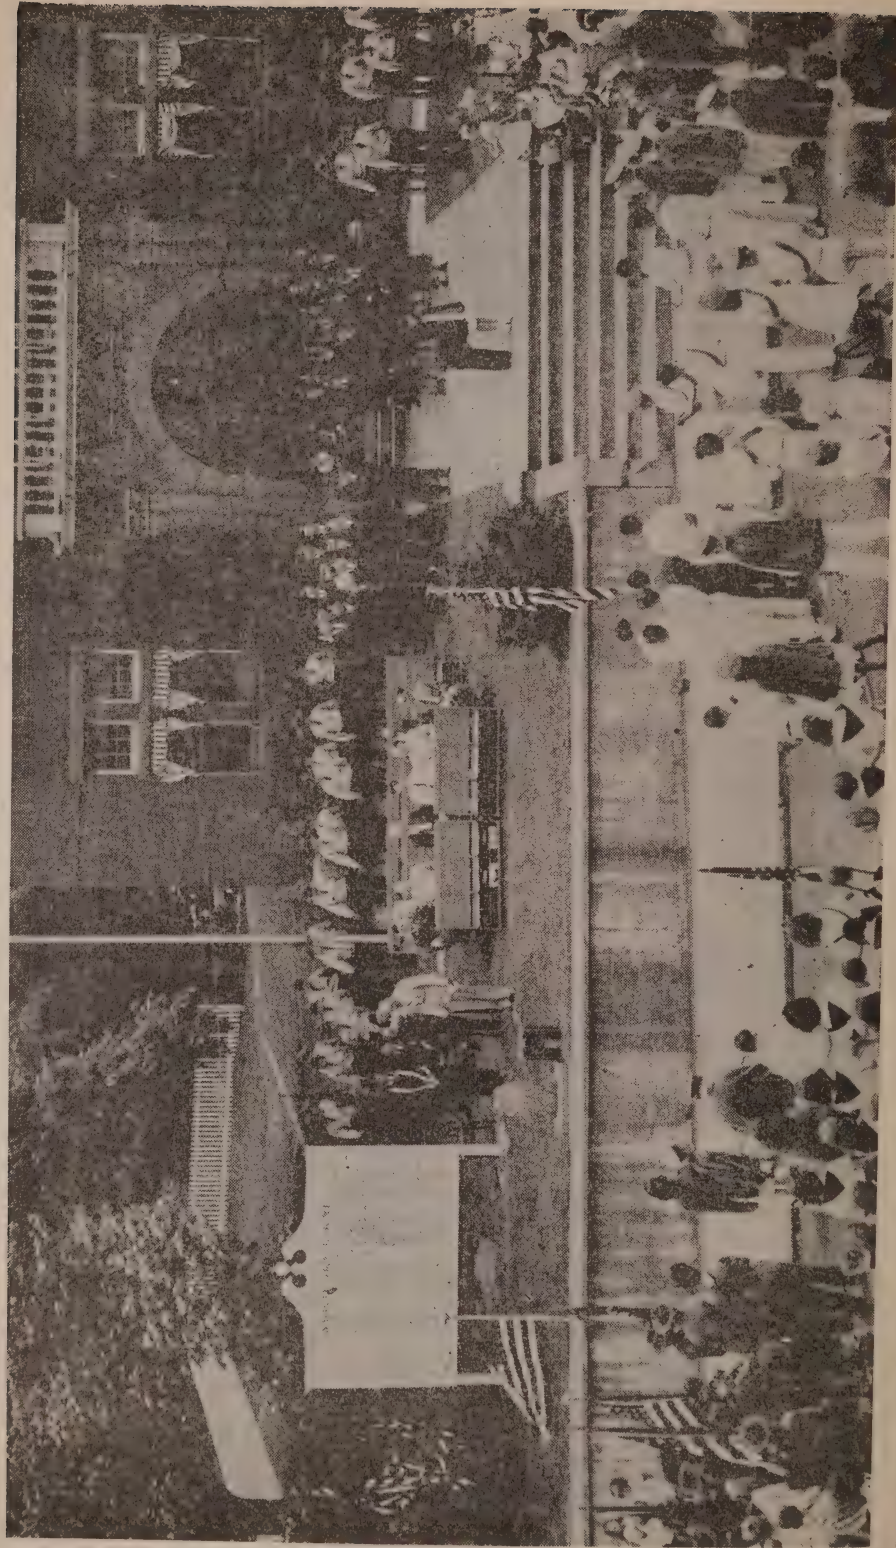

A true copy. Attest:

**KATHERINE J. HIGGINS,**

Town Clerk of Walpole

## DEDICATION OF WALPOLE HONOR ROLL

Patriotic organizations and townspeople who participated in the Memorial Day exercises are shown in the above photo taking part in the Honor Roll dedication. Rep. Rudolph King can be seen delivering his address. Seated are Town Officials, members of the Honor Roll committee and Rev. Howard P. Bozarth, who delivered the invocation.
